Compare and Connect Group *acquires* Fast Connect NZ

Compare & Connect was established in 2014 by CEO, Neil Saligrama and provides a growing number of technology-driven comparison and connection services including utilities, insurance, telecommunications and finance. The innovative platform powers many of Australia's leading comparison and connection brands in Australia. Recently Compare & Connect Group acquired real estate industry powered connection service provider "YourPorter". www.yourporter.com.au

On 1st January 2021, Compare & Connect Group announced the acquisition of **Fast Connect NZ** as part of its strategic plan to broaden and enhance its market offering and scope of services. Fast Connect NZ (FC) is one of the leading service providers for people moving home in New Zealand and it currently services more than 1000 real estate agents in New Zealand. FC offers an efficient moving home service to assist customers in connecting power, gas, phone, broadband and Sky TV. Through its panel of providers, FC helps customers through the new connections, disconnections or transfer of existing utility services. www.fastconnect.co.nz

"We are delighted to announce the acquisition of Fast Connect, providing broad synergy, coupled with the ability to expand our growing market share across Australia and New Zealand. This step provides consumers with better choices and higher levels of convenience than ever before as we grow and continue to invest in our technology platform and business. We are delighted to announce this acquisition which builds on our multi-channel strategy and positions us as one of leading providers in both Australia and New Zealand." Mr. Neil Saligrama, Founder and CEO of Compare & Connect.
