

UAE Badminton Junior Singles Rankings (2018 August)

Updated (2018.08.05)

Disclaimer: -

The UAE Badminton Junior Ranking System is in its final stages of evolution. However, we are still open to comments and suggestions in the process of perfecting the ranking system to make it the best tool for monitoring and tracking player performance over the years. Hence, we encourage feedback from players/coaches and request to check the UAE Badminton website from time to time to keep yourself updated with the changes. Kindly note that the dynamic ranking display on the website is still in development stage.

UAE Badminton Player Registration is actively running from our website link:

About the updated rankings as of August 5th 2018.

Further to the ranking updated in April 2018, we have made the following changes

- We have fine-tuned the Carry Over Points calculation.
COP is a system in which a player while moving to a higher age group (as the age progresses) carries a 50% of his/her points to the next age category (e.g., from U11 to U13).
By this, we have established the Best Practice for calculating the COP. The carried over points will be added to the current year achievements of the player, and the result (COP +2018) will be compared with the "B5R - best five results in 55 weeks,". The Best of the these two will be the Effective Ranking Point. This manner is giving us meaningful results and shall act as a realistic indicator of players' strength.
- India Club 2017 Tournament results were removed, as it reached 55 weeks and Ranking Points from India Club 2018 tournament were added.
- Though the GS U19 draw had only seven entries (minimum eight required), we have considered the results for establishing a meaningful ranking towards the Dubai Junior International Series 2018 UAE Player Entry.
