Our Mission Statement

The Filipino-American Capital Seventh-day Adventist Church exists to GO WITH JESUS IN MAKING DISCIPLES OF ALL AGES.

Pastor's Note

EXERCISE EXPONENTIAL FAITH

by Ramon V. Baldovino

This year this bulletin space will be filled with materials drawn from a book written by Elmer Towns, Dean Emeritus of the School of Religion and Theological Seminary at Liberty University in Lynchburg, VA. It is entitled "I Am Jesus: Let's Change the World."

I am Jesus, the Church body (Eph. 1:22-23). When two or three come together for prayer, I am in your midst (Matt.18:20). Because I indwell you and all other saved people in your church, I want you to do exponential things for gospel outreach. Do you have obstacles? Are there mountains that stop you from going forward? Ask for faith to move mountains. You move problems first on your knees before you move them with your hands and head. Fast for God to remove obstacles, and pray for God to fill you with power for exponential outreach in evangelism. I am still alive, and the Holy Spirit is still available, ask for great spiritual breakthroughs in your church outreach: "According to your faith let it be to you" (Matt.9:29, NKJV).

Key Thought: There must be great faith by leaders and people to solve problems and work to reach the community with the gospel.

Today the Lord's message will challenge us to grow as a church through proper spiritual diet and exercise. We need to grow continually, or else we shall atrophy and die. To do this, we must pray for the lost, believe in God's powerful command and promises, work in partnership with Jesus, and evangelize like tomorrow is the end of the world.
