WE ARE SO EXCITED TO BE ABLE TO MEET TOGETHER AGAIN!

This past year has been crazy, confusing and scary, especially for our children. So at this year’s conference we will be exploring the armor that God has provided for us to be able to face the day-to-day battles in front of us. Our God has not left us alone, but he goes before us. And when we follow in His footsteps we need not be afraid.

The program is free of charge. At this time we are accepting children from 5-11 years old, but we are flexible so come and talk to us.

Pre-registration is helpful so we know how to plan and will save you time at check-in.

Print out the forms and fill it in, if you have a smart phone, take a photo of the registration forms and email them back to kidsprogram1888@yahoo.com. Please bring the forms with you to the program.

Field Trip:

Eden Valley Institute is a working farm, so on Thursday and Friday afternoon, we will be taking the kids on a field trip to the farm to help with some of the gardening chores.

If you are worried about them getting dirty, you may want to dress them in some work/play clothes after lunch for our trip to the farm. The farm is within walking distance so we will not be leaving the campus.

Please list the names of the children and sign below to give us your permission to go to the farm.
