YOU ARE A LETTER Theme

What does it mean to be a witness? Does the faith you live speak out louder than words? Jesus said that you are able to tell what people are all about by the fruit they produce, by the works resulting from their faith. What kind of fruit do you produce? In the passage we are studying today you will see that Paul says that each of you are a message about God to the world.

So, the question is real simple. What kind of message about God do people see when they see you?

Weather you like it or not; you are a letter to your community about God. It is really up to you what kind of God people see, when they see you.
