I'm Free

*Don't grieve for me, now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call,
I turned my back and left it all.*

*I could not stay another day,
to laugh, to love, to work, or play.
Tasks left undone must stay that way,
I found that peace at the close of day.*

*If my parting has left a void
then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.*

*My life's been full, I savored much,
good friends, good times, a loved one's touch.*

*Perharps my time seemed all too brief.
Don't lengthen it now with undue grief.*

*Lift up your heart and share with me.
God wanted me now. He set me free.*
