

*I heard your voice in the wind today
and I turned to see your face.
The warmth of the wind caressed me
as I stood silently in place.*

*I felt your touch in the sun today
as its warmth filled the sky
I closed my eyes for your embrace
and my spirit soared high.*

*I saw your eyes in the window pane
as I watched the falling rain
It seemed as each raindrop fell
it quietly said your name.*

*I held you close in my heart today
it made me feel complete.
You may have died ... but you are not gone
you will always be a part of me.*

*As long as the sun shines
The wind blows . . .
The rain falls . . .
You will live on inside of me forever
for that is all my heart knows.*
