Obituary

Carla Renee Liggins (NuNu) was born on July 24, 1961 in Washington, DC. She moved to Savannah, Georgia in 1976 with her family. She was preceded in death by her mother Otelia Liggins Gilliard, sister Linda Liggins Robinson and her nephew Rudolph Preston Jr.

She graduated from Alfred E. Beach High School in 1979. Carla always wanted to further her education and reached that goal when she graduated from Armstrong State University with a Bachelor's degree. Always a care giver and nurturer at heart, it was only fitting that she chose a career that was associated with the medical field. She worked at Memorial Health Hospital from 1999 to 2010. And most recently she worked with Optim Orthopedics from 2010 to present as a Patient Access Coordinator. She was a hard worker.

Carla took pride in raising her two children, Chutney Jade and Jordan Tyre and looked forward to being a grandmother to Alaya Raine. She was a loving mother, daughter, sister and friend to all that knew her. She will be dearly missed.

She is survived by her children Chutney Jade Liggins, Jordan Tyre Liggins. And her beautiful granddaughter Alaya Raine Hogan. Her loving father Albert Gilliard, Jr. and siblings – Rudolph (Debra) Preston, Renita (Vincent) Polk, Lisa Liggins, Tonya (Wade) Garvin and Alecia Morris. And a host of relatives – Aunts, Uncles, Nieces, Nephews and Cousins.

Acknowledgements

We would like to acknowledge with deep appreciation the expressions of love, concern, prayers, cards, food and other kindnesses that have been made in our behalf by so many during this difficult time. There are no words that can adequately express how much all you have done means to us.
