In Loving Memory

Jeanne Ann

My lovely bride,
My strength and guide
who inspires to acts
Not common in the flesh.
A shining star from heaven above-
A gift from God to prove his love,
Who gives her all
In serving God and me.
Through thoughtful deeds,
Meets all my needs,
And in so doing binds my heart to her soul,
Whose quiet beauty unsurpassed
Radiates and makes her presence felt
Though absent from my sight.
