

Remembering . . .

Arlo Ray Shuck was welcomed into his eternal home in heaven on April 20, 2024 at the age of 89. Arlo was born June 3rd, 1934 to Orville and Lottie (Lacey) Shuck at home in Lawrence Township, Wendell, MN.

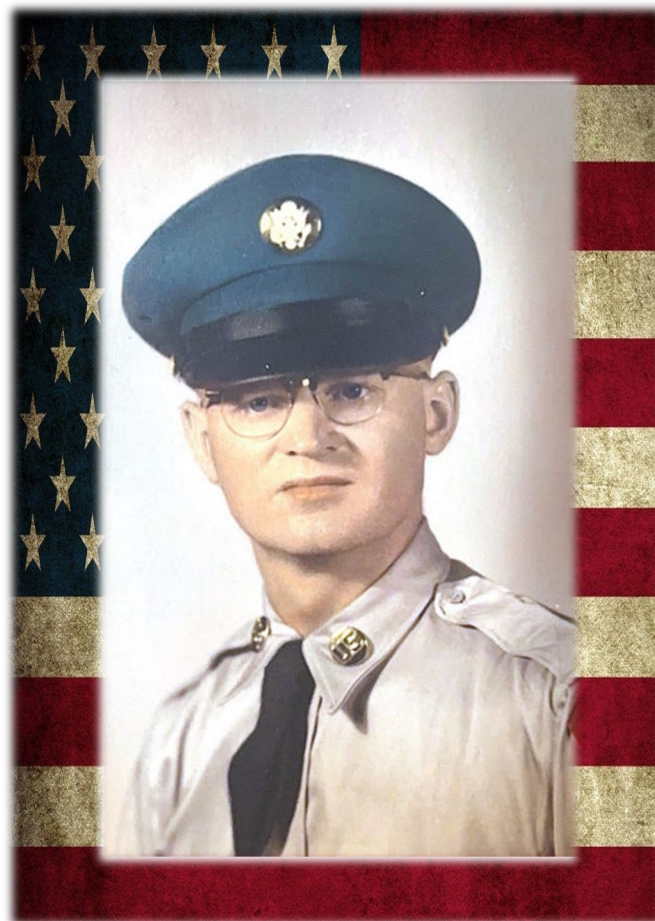

Arlo attended a one room country school through eighth grade and graduated from Elbow Lake High School in 1952. He married the love of his life, Donna (Lebakken) Shuck on June 2, 1956. They had two sons, Kevin (Cindy Wilson) and Keith (Dorene) Shuck,

foster daughters, Bobbie (Corey) Friedemann and Dorothy (Kory) Greiner as well as over 40 foster children from 1987-2000. Arlo served in the Army from April 13, 1959 to May 1, 1961 and he remained in the Army Reserves until April 30, 1965. He grew up working on the farm and learned from an early age that hard work was a way of life. Arlo had a love for all things mechanical and carpentry that carried through to his many careers. He then passed his knowledge on to his children and grandchildren. Many were blessed to know him as a gentle, loving, kind and peaceful man who cherished his family and friends. He had a deep appreciation for the simple moments as he basked in the magnificence of God's creation.

Arlo is preceded in death by his parents, Orville and Lottie Shuck; sisters Betty Teberg and Charlotte Bullis and great-granddaughter, Avere Lyn. Survived in death by wife, Donna; sons, Kevin (Cindy Wilson) and Keith (Dorene); foster daughters, Bobbie (Corey) Friedemann and Dorothy (Kory) Greiner; sisters, Darla Peterson, Elva (Jim) Asmus; grandchildren, Mallory, Adam, Heather, Austin, Alyssa, Dallas, Taylor, Cole, Grace, Leila, Paul, Emma; great-grandchildren, Taitym, Dalton, Berkley, Sutherlyn, Briggs, Huxley, Finley, Bailey, Melanie, Carter, Bentley, Bridgette, David, Alessio, Halen, and many nieces, nephews, and foster children.

Dash—in Life

I read of a man who stood to speak at the funeral of a friend,
He referred to the dates on his tombstone from the beginning . . .
to the end. He noted that first came his date with tears,
But he said what mattered most of all
was the dash between those years.

For that dash represents all the time that he spent alive on earth . . .
And now only those who loved him know what that little line is worth.

For it matters not, how much we own;
The cars...the house...the cash,
What matters is how we live and love and how we spend our dash.

So think about this long and hard ...are there things you'd like to
change? For you never know how much time is left,
that can still be rearranged. If we could just slow down enough to
consider what's true and real, And always try to understand the way
other people feel.
