## Thoughts From Today's Sermon

Christ's message to the church in Thyatira should be of special interest to us, living at the end of earth's history. His appeal is to stop tolerating false teaching, because it only leads to sentimentalism and doctrinal flabbiness. When the trials and tribulations of the last days come, there is something more important than relationships and feelings. It is God's word! His truth alone will deliver us from the masterful deceptions of the enemy. As Christians we cannot peacefully coexist with the world, with the lust of the flesh, with the Devil, with Balaam or Jezebel, or with false doctrine. Our only safety is to follow the Lamb--who is the Way, the Truth, and the Life.

## Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

## Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.
