### For My Grandmother

I have memories that make me smile,  
Of a young child who longed to be,  
By the side of a Grandmother...so adored,  
The child that I speak of was me.

You were the Grandmother filled with love,  
Who had such a wonderful way,  
And time spent with you was a special gift,  
Each day was a magical day!

I can recall all the things you did,  
And the gentleness of your touch.  
You had a talent for letting me know,  
That you loved me...ever so much!

And the impact you had upon my life,  
Continues to this day still.  
I loved you then, I love you now,  
And always, yes, always... I will!  
Your Great Granddaughters

### A Stopping Place

Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road, to sweet eternity  
We all have different journeys.  
Different paths along the way,  
We all were meant to learn some things,  
but never meant to stay...  
Our destination is a place, far greater than we know,  
Live a life of integrity and be kind to all,  
You never know who you will need before your number is call.  
Do not take your stopping place for granted,  
Afflictions will arise, but keep God first is in all you do,  
Pray without ceasing, God will see you through.  
When you reach your stopping place your work on earth is done.  
Live a life that leads to eternity with our Father and His Son.

### Mother In Heaven

If Roses grow in Heaven Lord,  
Please pick a bunch for me.  
Place them in my Mother's arms  
and tell her they're from me.  
Tell her that I love her and miss her,  
and when she turns to smile,  
Place a kiss upon her cheek  
and hold her for awhile.  
Because remembering her is easy,  
I do it every day,  
But there's an ache within my heart  
that will never go away.

Now, I place my heart in God's and trust will,  
I love you Momma, I pray my heart heals.

Your Children
