

A Little Fellow Follows Me

*A careful man I ought to be; a little fellow follows me.
I do not dare to go astray, for he'll go that self-same way.*

*Not once can I escape his eye; whatever he sees me do he tries.
Like me he says he's going to be, that little chap that follows me.*

*He thinks that I am good and fine believes in every word of mine.
The base in me he must not see, that little chap that follows me.*

*I must remember as I go thru summer sun & winter snow,
I'm building for the year to be, that little chap who follows me.*
