God took the strength of a mountain The majesty of a tree, The warmth of a summer sun, The calm of a quiet sea, The generous soul of nature, The comforting arm of night, The wisdom of the ages, The power of an eagle's flight, The joy of a morning in spring, The faith of a mustard seed The patience of eternity, The depth of a family need, Then God combined these qualities And then there was nothing more to add He knew His masterpiece was complete, And so, He called it ...
