

# EXECUTIVE MEDICINE *of* TEXAS

Mark Anderson, MD, DABFM

Walter Gaman, MD, DABFM, FAAFP, FFP

---

Elizabeth Cox, MD

## NOTICE TO PATIENTS Posted May 21, 2021

Dr. Cox will be leaving Executive Medicine of Texas effective June 30, 2021. While she has enjoyed the five years that she has worked at the practice, she has decided to take a break and spend time with her family as she decides what the next chapter of her life and career will entail.

Executive Medicine of Texas will remain the custodian of your medical records. Should you require a copy of your medical records, you may request a copy by completing a record release form available at the front desk or you can call our office to have one emailed to you. There is no charge associated with patient requested records.

Any membership that you may be currently enrolled in (Limitless, Limitless Plus, and all Concierge Programs) will continue without interruption. Your medical care can be transferred to any of the following providers:

Mark Anderson, MD, DABFM  
Walter Gaman, MD, FABFM  
Randi True, PA-C

Also, in the near future, Executive Medicine of Texas will announce the name of another female physician that will be joining the practice.
