Thoughts From Today's Sermon

God has infinite possibilities for your life. He delights in you and wants you to have abundant life, filled with joy and victory. He wants to bring you in to possess the Promised Land. God doesn't see you as you are today, but he sees you as you could be, transformed through grace.

Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.

BAPTISM - We would like to invite our church family to Bradley Privat's baptism on Sabbath, Sept 14 at the Minden's river waterfront property. Join us for a potluck lunch directly after the church service followed by the baptism. Please bring a dish to share and a lawn chair. Water, paper products and dessert will be provided. Directions: Take Hwy 2 toward Priest River & proceed to Mile Post Marker 22. Take the first left past Marker 22 (about 4/10 of a mile—Smith Creek South). Cross the railroad tracks and make a sharp left immediately and follow the unimproved road about ½ mile. Minden's waterfront is on right, after wood rail fence.

GUEST SPEAKER - SEPT 7 – CARL WILKINS was the only American who chose to stay in Kigali, Rwanda throughout the 1994 genocide. Venturing out each day into streets crackling with mortars and gunfire, he worked his way through roadblocks of angry, bloodstained soldiers and civilians armed with machetes and assault rifles in order to bring food, water and medicine to groups of orphans trapped around the city. Working with Rwandan colleagues, they helped save the lives of hundreds. His harrowing yet hopeful journey weaves together stories of tremendous risk and fierce compassion in the midst of senseless slaughter. In 2011, Carl completed a book detailing these days titled *I'm Not Leaving*. A 40 minute documentary by the same title has since been released. Carl's storytelling does not stop with Rwanda's tragic history, but moves forward to the powerful and inspiring recovery process. Among the many lessons he shares from his experience is the transformative belief that we don't have to be defined by what we lost or our worst choices. We can be defined by what we do with what remains - what we do next after terrible choices. Each year he returns to Rwanda with students and educators to see for themselves how people are working together to rebuild their country and rebuild trust.
