

Eagle Adventist Christian School Supply List (2020-2021)

Parents: This is a list of supplies your child needs for a good school year beginning. Some items may need to be replenished occasionally, so please check your child's school supplies quarterly and provide new supplies as needed. *Please label supplies with your child's name except where indicated.*

- Box of 12 #2 Dixon Ticonderoga pencils or mechanical pencils
(If you would like your child to have his/her own supply of pencils for personal use, please label each pencil with your child's name; if you are okay having your child share from a class supply of pencils which will be sanitized between students, labeling is not required.)

Please note that art supplies will not be shared this year, so each student needs his/her own supplies.

Washable art supplies are highly recommended. This will protect your child's clothing and skin from stains, and will save on clean-up time.

Your child should also have a change of clothes to keep at school for use as needed. Pack a complete outfit (polo shirt, pants, underwear, socks) in a gallon-size baggie labeled with your child's name. This is in case your child's clothing gets wet, soiled, or torn during the school day, and may save you a mid-day trip to the school ☺. Please check seasonally to be sure clothing still fits and is weather appropriate.
