In Remembrance of

Darby James Byrnes

2004 - 2020

If I could have come to Heaven, chose an Angel of my own...
 I would still have chosen you, even if I'd known.
 If God had said "he'll need more care than you could ever dream,
 And long before you're ready, he will gain his wings."
 If He had told me loving you with all my heart and soul,
 Would shatter my whole world when I had to let you go.
 If He had told me how I'd be forever changed,
 How when I had to say goodbye I'd miss you night and day,
 I would still have chosen you as my very own...
 I would still have loved you
 With all my heart and soul...
 Too beautiful to stay away
 from Heaven for too long.
 I would still have
 chosen you,
 Even if
 I'd known.

God holds you in His care,
 I hold you in my heart...
