## CHURCH SECURITY

We have been having some issues of security at our church and want to reach out to you, our church members, to help us in any way you can. We have a Security person that comes to check our church and the houses and he has found some issues that we can help with. There are many of us that have access to come into church when it's necessary for meetings, etc. We will greatly appreciate that when you come, please make sure that before you leave; the door that you unlocked is closed securely, the light that you turned on is turned back off, the AC that you turned down is turned back up to 79°. **Please DO NOT turn A/C unit OFF.** If you are the last one to leave the Chapel on Wednesdays and you see the carport door is wide open, please close it. We don't want snakes, other animals or any stranger coming in during the period before our Security person does the check round. As you know Joann, the pastors and I spend a lot time here by ourselves and we want to feel safe. The carport door is under an "auto stay open time" for Prayer Meeting and Church Service on Sabbath and some may find that it cannot be locked. If this happens, please call Tom Amos at (863)449-0863. Regarding the Larsen House and OYC, please make sure doors and garages are locked. Also, that the AC units are set to 79°. If you have any questions regarding this matter, please feel free to talk to me. Thank you so much for your help! *Gladys Gómez*

## THE MAIL LADY LEFT THIS NOTE

on our mailbox this week. We will greatly appreciate that you do not leave your vehicle unattended or parked by the Carport drop off entrance. If the Mail Lady comes when a vehicle is there, she will not leave or pick up our mail. Thanks for your help! *Gladys Gómez*

## A NEW LOOK IN THE FELLOWSHIP HALL

As of today our seating capacity will be 85. As you are greeted at the F.H. door, thank you for understanding our arrangement and overflow seating/eating will be directed to the Junior Room. *Potluck Team Leaders*

will resume on July 19 at 7:15pm in the Choir Room. Starting in August, rehearsals will take place every Friday at 7:15pm. New members who want to join the choir and use their talent of singing, are welcome. *Shirley Fiedacan*

Dear Member:

Congratulations!

You have been given access to the church building, and/or a specified room in the building. In most cases this is a necessity for you to carry out your responsibility in the office you hold. In all cases it is a privilege rather than a right. Accordingly, there are several things to remember when you exercise this privilege.

1. Always keep your key and Fob (if keyed access) secure.
2. Always memorize your access code (if you have coded access)
3. Always be certain to secure any doors you have opened. Do NOT depend on or assume that responsibility on another party.
4. **Never**, under any circumstances, give your key or access code to another. You alone are responsible for your key, Fob or access code.
5. **Never**, under any circumstances, copy, or request a vendor to copy your key for another's use. Some keys are marked **"Do Not Duplicate"** or at least numbered for a specific reason; to guard against a breach in security.
6. Remember that any access way that is left open or unlocked is a breach in the security of the entire church. Do not allow your key or code to be the source of that breach.
7. If for any reason you need an additional key please apply for one at the Office.
8. Please remember that your individual access to the church is a privilege and a breach of security is a serious matter and could result in a loss of that privilege.
9. At the end of your term of office, if you do not retain your office or accept another office requiring access, we will expect you to please return your keys to the church office.

Your service is appreciated at Avon Park Seventh-day Adventist Church. Please do all you can to make our church a safe and secure place to work, study and Worship.
