

I Love You Pops

I love you Pops. I wouldn't be the man, father, and husband that I am today, if it wasn't for you. I've still got along way to go if I'm going to fill your shoes. I could have asked for a better Dad, mentor, or best friend. You have taught me some much throughout my life, and I am blessed that god gave me the time he did to spend with you. When I would call you, you always had the time to talk, especially in hard times. Always with kind, wise and comforting words. I just hope to be at least half as good of a father to my kids as you were to me. Rest easy old man. I love you so much and hope to make you proud. I will see you again one day when I'm called home.

Your Son, J
