## Principal's Message

A word from Mrs. Bryant

Each morning the staff meet together for worship and we take turns sharing stories, scripture, and prayer. This week Mrs. Castleman shared a timely message from The Teacher's Devotional. Take some time to [read it yourself](#), or note this impactful paragraph below:

"It seems as if every day is a mysterious puzzle where the pieces are slowly sliding in and out of place. Jesus'...voice is calling us to keep the faith. To trust in Him and His power. To keep fighting the good fight."

Your teachers continue to trust that Jesus will guide us daily.

## Book Fair

Shop online to purchase new books  
November 2-15, 2020

We are sad that we can't host an in-person Book Fair this year, but online is the next best option!

When you order online:

- You get free shipping for book only orders over \$25.00.
- Books are shipped to your home, not the school.
- There are many more books available through the Online Fair than would be at the in-school fair.
- Rogers Library earns a small percentage of all book fair items sold. Thank you for your support!

Families can shop through the Rogers Book Fair Homepage. Just go to <https://www.scholastic.com/bf/rogersadventistschool2>

[Watch this video](#) to learn more and thanks for your support!

## Amazon Smile

An easy way to support RAS

Have you heard about AmazonSmile? AmazonSmile is a simple way for you to support your favorite charitable organization every time you shop, at no cost to you. Every quarter RAS gets a small amount of money from AmazonSmile and families who are already indicating Rogers as their charity of choice.

Especially with the holiday season approaching, this is a super easy way to support RAS and get your shopping done at the same time! [Learn more about AmazonSmile.](#)

## COVID health protocols

Thanks for your continued patience and support with our COVID-19 health protocols. I know it's a pain to do the health screening each morning, but this item is an integral part of our re-opening plan and we'll do whatever it takes to be IN school! We're running six weeks COVID free!

A note on the daily temperature checks - Especially as we get into some cooler weather, kids who ride in a car to school might be sitting right next to the car heater and as a result, their temperature is showing too high. It might be helpful to pull along the curb and have your child get out of the car so they have a second to cool off. Or, if they come up to the walk-through line we can double check there as well.

## Coming up

October 11: Mrs. Burseth's Birthday!

October 12: Mrs. McCreery's Birthday!

October 13: Carl Wilkens presents to Veverka class on the brain

October 20: RAS Board Meeting
