Leta Tanner

*To laugh often and much;
To win the respect of intelligent people
and the affection of children,
to earn the appreciation of honest critics
and endure the betrayal of false friends;
to appreciate beauty,
to find the best in others,
to leave the world a bit better
whether by a healthy child, a garden patch,
or a redeemed social condition;
to know even one life has breathed easier
because you lived.
This is to have succeeded.*
