

Gone Hunting

I've finished all life has for me, I've been
invited to the great hunting ground.
Where everyday is a wondrous day to hunt.
To fill your heart with every wish.
Don't worry, or feel sad for me,
For I'm hunting with the Master of the Hunt.
We'll miss each other for some time, But in
time you will come and we'll be with each
other again...
That won't be long. you will see,
"Til we're together again, you and mé.
For all those that think of me, Know I am on
a great hunt, And happy as can be.
To those that wonder of my early farewell,
TELL THEM I'M GONE HUNTING WITH
THE MASTER.
