Dear Parent/Guardian,

Just a quick note of thanks for your continued support, understanding, and cooperation as we continue to navigate through this unprecedented pandemic. As we near the end of this first semester of school we are so thankful that our preventative measures have helped us ensure the ongoing safety and well-being for our students and staff alike.

In an ongoing effort to continue our proactive measures, we want to continue to request that if **anyone** in your home is feeling ill, please keep your student(s) home. This measure will continue to allow us to identify any possible exposures early in the event someone in your home is diagnosed with COVID.

We are thankful for God's watchful protection over His school. Please do not hesitate to call with any questions, anytime at 479-279-8700.

God Bless,

Gina Webb, Nurse Practitioner
Ozark Adventist School
