

## A Dad

A dad is a person  
Who's loving and kind,  
And often he knows  
What you have on your mind.  
He's someone who listens,  
Suggests and defends...  
A dad can be one  
Of your very best friends!  
He's proud of your triumphs,  
But when things go wrong,  
A dad can be patient  
And helpful and strong.  
In all that you do  
A dad's love plays a part -  
There's always a place for him  
Deep in your heart -  
And each year that passes,  
You're even more glad,  
More grateful and proud  
Just to call him your dad.

In Loving Memory
