- **Knitting / Crocheting Group** – This is an outreach activity, where we create items to donate. All skill levels are invited. If you are interested in being part of this ministry, see Alecia or Holy.
- **Family Life Message** – "Christian parents should know that they are instructing and fitting their children to become children of God. The whole religious experience of the children is influenced by the instructions given, and character formed, in childhood. If the child's will is not subdued and made to yield in childhood to the will of the parents, then what a task! What a severe struggle! What a conflict, to yield that will which never was subdued, to the requirements of God! Parents who neglect this important work, commit a great error, and sin against their poor children, and against God." -- *Spiritual Gifts*, by Ellen White, page 132.
