To My Dearest Family & Friends

To my dearest family and friends,
some things I'd like to say
But first of all to let you know,
that I arrived okay
that I arrived okay
That day I had to leave you,
when my life on earth was through,
God picked me up and hugged me,
and said I welcome you.
Then God gave me a list of things
He wished for me to do,
And foremost on that list of mine,
is to watch and care for you.
But do not be afraid to cry,
it does relieve the pain.
Remember there would be no trees,
unless there was some rain.
When you are walking down the street,
and you've got me on your mind,
I'm walking in your footsteps,
only half a step behind.
And when you feel the gentle breeze,
or, the wind upon your face,
That's me giving you a great big hug,
or just a soft embrace.
And when it's time for you to go,
from that body to be free,
Remember where you're going,
you are coming here...to me.
