Loving Memory

But I rejoiced in the Lord greatly,

*that now at last your care for me has flourished again;
though you surely did care, but you lacked opportunity.*

*Not that I speak in regard to need,
for I have learned in whatever state I am, to be content:*

I know how to be abased, and I know how to abound.

Everywhere and in all things

I have learned both to be full and to be hungry,

both to abound and to suffer need.

*I can do all things through Christ
who strengthens me.*

Nevertheless you have done well

that you shared in my distress.

And my God shall supply all your need

according to His riches in glory by Christ Jesus.

Now to our God and Father be glory forever and ever.

Amen

Kadan Andrew Williams, 16 year old son of Michael and Katie Floyd Williams, passed away peacefully at home on Friday evening, December 8, 2023, and entered eternity to be with his Lord and Savior Jesus Christ.

Born in Royston on Mother's Day Sunday, May 13, 2007, Kadan opened his eyes for the first time and saw the face of his beautiful mother and immediately became Mama's boy. Katie was always there for Kadan and they shared an enduring love for one another. Michael, fondly called "Daddy", was a devoted and loving father.

In addition to his parents, he is survived by two young brothers whom he adored: James Gracin and Michael Shane; grandparents: Shane and Billie Floyd and Gary and Melanie "Missy" Williams; great-grandmothers: Ann Floyd and Martha Lutz; and special uncle, Matt Floyd whom Kadan loved as a brother. He also leaves behind his girlfriend, Lizzie Mearkle, who lovingly stayed at his side until he drew his last breath. He is preceded in death by his great-grandfathers: Larry Floyd, James E. Williams, James L. Williams, and John Lutz, Sr; and great-grandmothers: Billie Jean Hansford and Shirley Williams.

He was a student at Elbert County Comprehensive High School and a member of Bethlehem Methodist Church. A natural comedian, Kadan had a wonderful sense of humor. He truly cared about people and would listen to what they had to say. Kadan was a smart and deep thinker who always had a positive attitude and didn't want anyone worrying about him. He never let hard times keep him from enjoying life. Some of the things he enjoyed most were chess, video games, music, swimming, wrestling, driving his truck, comics, drawing, backyard basketball, being with Lizzie, vacations at the beach, and being with his family and friends. Kadan gave the best hugs and never missed an opportunity to let you know how much he loved and cared for you.
