If Roses Grow in Heaven

By Dolores M. Garcia

*If roses grow in heaven,
Lord please pick a bunch for me ,
Place them in my Mother's arms
and tell her they're from me.
Tell her I love her and miss her, and
when she turns to smile place a kiss
upon her cheek and hold her for a
while.
Because remembering her is easy,
I do it every day,
But there's an ache within my heart
That will never go away*

MEMORIES MEMORIES

In loving Memory of a Special Sister

From Your Siblings

The day you left and gained your wings

My heart just broke in two

I wish you could have stayed with me

But heaven needed you

You left me with the memories

And I love you dearly still

No matter how much time goes by

You know I always will

You were a very special person

With kindness in your heart

And the love we had together

Grows stronger now we're apart

I know I cannot bring you back

Although I wish it everyday

But a piece of me went with you

The day you went away

The Broken Chain

We little knew that morning

That god was going to call your name

In life we loved you dearly

In death we do the same.

It broke our hearts to lose you.

You did not go alone.

For part of us went with you.

The day God called you home

You left us precious memories

Your love is still our guide.

And though we cannot see you

You are always by our side.

Our family chain is broken

And nothing seems the same

But as God calls us one by one

The chain will link gain
