Palos Verdes Estates, CA 90274

Around the world people are looking for prayer that brings healing and peace to their lives. International speaker, Fujiko Signs, will present a lecture titled, "Love without limit, Life without fear." In this talk Signs, from Tokyo, Japan, will explore the relationship between prayer, healing, and the universal truth that unifies.

A full-time practitioner and teacher of Christian Science healing, Signs is a member of the Christian Science Board of Lectureship.
