

SHARON PREDIGER

Business Manager

I have enjoyed working at Mamawi Atosketan Native School for the past 24 years and love to see the smiling faces of our students as well as the great parent/guardians.

In my spare time I love to crochet, sew, swim and go for walks. Spending time with my three married children and six grandchildren are the highlight of my life.

"Children are a gift from the Lord; they are a reward from him."

Welcome to Our Fantastic School!
