# The Loving Memory

Michael L. Boone

Michael Luis Boone was born on July 31, 1995 to Miyisha Boone and Ricardo Bonilla. He was predeceased in death by his Father Ricardo and Grandfather Julio Bonilla.

Michael attended the Camden City School System and graduated from Camden High in 2014. Michael had a beautiful humble soul, and was always ready to lend a helping hand. He loved his son very much. He loved his nephew and would play video games with him in the morning before he went to school.

*“Remember me when I am gone away, Gone far away into the silent land; When you can no more hold me by the hand.*

Michael’s main time of leisure was painting, drawing, playing a guitar, and harmonica, recording his own music. You would also hear him playing a tune by whistling and adding a song to the tune. Michael’s infectious smile would light up the world. He was strong minded and knew what he wanted to do.

Michael loved to inspire people with awesome information about life. He really had a very good head on his shoulders. I’m saying this because if anyone had a problem and/or problems, Michael would sit and listen and try to help. That is so awesome. He loved us all and we loved him too, always.

Michael leaves to Rejoice, Honor and Cherish his memory, his Mother Myisha Boone, his son Ari Kai Johnson-Boone; Grandmothers Sharon Lenear, and Cruz Maria Acevedo; Grandfather Pastor Michael Lenear; Sisters Madeena Boone, and Latifah Boone, Nephew Thomas J. Ragin-Bey. A host of Aunts, Uncles, Cousins, and friends.

## To Our Brother

Today is full of memories of a Brother laid to rest,  
And every single one of them is filled with happiness.  
For you were someone Special, always such a joy to know,  
And there was so much pain when it was time to let you go.  
That’s why this special message is sent to heaven above,  
For those angels to take care of you and give you all our love.

*Michael L. B.*

The Enemies shall bow at my feet  
They feel the God within me  
I am laced from the inside out  
This shine is so bright  
Thy enemy fear that I might  
Actually believe in myself  
Have you ever seen a star before?  
Stars do not get jealous nor do they Die.  
Sometimes we mistake a transition

For the end of one’s life  
My Creator pulls me in  
My Creator holds me tight

I am free

I now know who I am  
I now know what I agreed  
I am free

My mission now complete  
No losses, no defeat

I’ve made my mark on this World  
I’m free

Don’t let my love go to waste  
Wipe the tears this may make  
My presence here is eternal.  
So sing your Happy Song  
Dance your happy dance

Because I’ll always be around for you  
Open your mouth so we can speak  
Open your mind and we can meet  
I’ll always be around for you.  
Bid me a farewell for now  
I’m on to my next mission.  
So the next time you feel like

You miscounted cooking dinner in the kitchen  
It’s just me Michael L. B.  
Sneaking a piece of chicken.  
Like I said, I’ll always be  
Here for you.
