CHRISTIAN ACADEMY

**STUDENT HANDBOOK
2017-2018**

About Us

Stonehill Christian Academy is a Seventh-day Adventist Christian school. Our educational environment reflects an active partnership of students, staff, parents, and community. We are open to evaluating new ideas and using them to foster an atmosphere conducive to developing responsible Christian students.

Our institution is accredited by the Texas Private School Accreditation Commission and the North American Division office of Education. Our board of directors is elected from Stonehill Seventh-day Adventist Church and supervised by the Texas Conference of Seventh-day Adventist Office of Education. Stonehill Christian Academy provides a high quality education for multi-ethnic students from across Central Texas communities.

Mission Statement

Stonehill Christian Academy provides Christ-centered education that fosters students developing a closer relationship with Jesus. Biblical teaching, academic excellence, civic duty, and service are all emphasized in a safe environment.

Philosophy

It is the purpose of Stonehill Christian Academy to maintain a Christ-centered school of excellence in harmony with the teachings of Jesus Christ, as set forth in the Scriptures. Supporting principles of Christian education include those set forth in the writings of Ellen G. White, one of the founders of the Seventh-day Adventist denomination, and policies recommended by the Seventh-day Adventist General Conference, Southwestern Union, and Texas Conference.

The aim of education is to restore human beings into the image of God, as revealed by the life of Jesus Christ, and to accomplish this through the guidance of the Holy Spirit. An education of this kind imparts far more than academic knowledge. It fosters a balanced development of the whole person — spiritual, physical, intellectual, and social — a process that spans a lifetime. By working together, homes, schools, and churches cooperate with divine agencies to prepare students to be good citizens in this world and for eternity.

ADMISSIONS PROCEDURE

Stonehill Christian Academy (SCA) admits qualified students of any race, color, ethnic background, country of origin, religion, gender, gender identity, sexual orientation, mental or physical disability, medical condition, to all the rights, privileges, programs, and activities available to students at the school. SCA does not discriminate on the basis of race, color, ethnic background, country of origin, religion, gender, gender identity, sexual orientation, mental or physical disability, medical condition, or any other status protected by applicable law, in administration of its educational policies, admissions policies, scholarship and loan programs, and other school-administered programs.

SCA does not admit individuals who engage in sexual misconduct, which includes non-marital sexual conduct, homosexual conduct, or the encouragement or advocacy of any form of sexual behavior that would undermine the Christian identity or faith mission of SCA and the Seventh-day Adventist Church.

Parents are encouraged to direct their children to act in harmony with the standards, requirements, and philosophies of the school, and support the school's principles, programs, and teachers. The Admissions Committee reserves the right to refuse admittance to any students who do not exhibit behavior in harmony with the school's principles. Although a low student-to-teacher ratio allows for a great deal of individual attention, our school is not designed to provide special education for students with learning disabilities or behavioral problems.

NEW AND TRANSFER STUDENTS

In considering a student, the Admissions Committee looks at chronological age, emotional, physical, and social development, academic achievement, test scores, student behavior, attitude, attendance record, and special needs. Before a student is placed in a classroom, he/she will:

- Complete and submit the Registration Packet.

- Provide verification of grade level and achievement from the school last attended. (The parent will be notified of the transfer of the student’s permanent record, their right to receive a copy of the record, and their right to a hearing to challenge the content of the record.) This may be a report card, cumulative folder, letter from the principal of the former school, or a telephone discussion between principals.
- Make an appointment to take a proficiency exam before entering Stonehill Christian Academy. In lieu of this exam, parents may present results from an alternate approved national exam taken within the previous school year.

Once the above steps have been completed, the student will be assigned to a classroom.

Students entering Pre-Kindergarten must be three (3) by the start of the school year. Students entering Kindergarten must be five (5) by September 30. Kindergarten students may need to be tested, if recommended by the teacher. Students must submit proper health records within two (2) weeks of first day of attendance, after which time they will not be allowed to attend classes until health records are received.

APPLYING AFTER THE SCHOOL YEAR BEGINS

- Students applying after the school year begins will follow the process as outlined above for *New and Transfer Students*.
- In addition, an interview with the teacher is required before a decision is made by the Admissions Committee.

MEDICAL EXAMINATIONS

Physical examinations are required of all students in the Texas Conference as follows:

- Upon entering school for the first time
- At grade 7 (this shall include the scoliosis examination)

A physical examination will be considered current, except scoliosis examination, if taken not more than twelve (12) months prior to any of the above dates, and the report is submitted to the school.

When a student transfers, it is the parent’s responsibility to bring the

health record file to the office within two (2) weeks of acceptance. If this is not done, they will not be allowed to attend classes until health records are received.

IMMUNIZATIONS

All students entering Stonehill Christian Academy for the first time and returning students must present evidence of immunization compliance with the Travis County Health and Human Services. Minimum Texas State immunization requirements require yearly updates, as stated in the [Texas Administrative Code \(TAC\), Title 25 Health Services, §§97.61-97.72](#). A summary can be found on the [Texas Department of State Health Services Immunization Requirements web page: <https://www.dshs.texas.gov/immunize/school/school-requirements.aspx>](#). The new HIPAA guidelines require **parents** to deliver health records from the previous school. Schools can no longer mail these records to other schools.

A student may be exempt from receiving the required immunizations by submitting:

- A written statement from a physician stating that the student is medically exempt because the vaccine required is medically contraindicated or poses a significant health risk. Unless the statement says that a lifelong condition exists, the exemption statement is valid for only one (1) year from the date signed by the physician.
- A notarized affidavit from the parent stating that the student is exempt because of personal beliefs. This personal exemption shall be recorded on the immunization record. The affidavit will be valid for two (2) years. A child, who has not received the required immunizations for reasons of conscience may be excluded from school in times of emergency or epidemic declared by the commissioner of public health.

AIDS AND AIDS-RELATED CONDITIONS

Students with acquired Immune Deficiency Syndrome (AIDS) and HIV positive results pose significant concern for others. The following guidelines will be followed:

- The conference and school are committed to maintaining a safe and healthy school environment for all students.
- Based on overwhelming medical and scientific opinion, the AIDS virus is not casually transmitted in ordinary school settings. Therefore, students with AIDS, or any of its related conditions, may continue to attend as long as they are able, subject to changes in medical knowledge. Reasonable accommodation will be provided to students to allow them to continue to attend and participate in school activities. Other students who refuse to work with, harass, or otherwise discriminate against any student with AIDS may be subject to discipline. Courts have only upheld school exclusion of students with AIDS in young students where the students bit others and/or have open sores, thereby exposing other students to blood.
- Employees are to be trained in and use universal precautions for preventing transmission of blood-borne pathogens, as set by the Centers for Disease Control. Students will be given age-appropriate instruction regarding precautions. Physical education teachers will instruct their classes regarding specific precautions surrounding blood-borne pathogens.
- Instruction regarding AIDS is part of the curriculum and will be taught in accordance with the curriculum plan. The administration may include additional instruction on AIDS, its transmission, and safety precautions, when deemed necessary.
- Students or parents of students who have AIDS, or are HIV positive, and who wish to disclose this fact to the school should discuss it only with the principal.
- Information about a student who has AIDS or is HIV positive is confidential. It will not be disclosed to any other individual without the written consent of the parent or the guardian of the student.
- The Christian response to a person who is HIV positive must be personal, compassionate, helpful, and redemptive.

VOLUNTEERS

We encourage all our parents to volunteer at the school a minimum of

18 hours per semester. The list below includes some ways we could use your help.

- Drive for field trips
- Help with special days and hot breakfasts/lunches
- Supervise students during lunch/recess
- Help a teacher with grading, copies, or teaching a PE class
- Help with food drive
- Attend Home and School meetings
- Read to students
- Participate in school fundraising events
- Collect and submit Box Tops for Education
- Other tasks as listed on our website:
www.stonehillchristianacademy.org

Stonehill Christian Academy must have background clearance on file for anyone who volunteers at the school or participates in school activities with students. See website or volunteer coordinator for more information.

STATEMENT OF RESPONSIBILITY

Each student is accepted to Stonehill Christian Academy with the understanding that the parent or legal guardian of each student is responsible for the legal aspects of his attendance. These include, but are not limited to:

- Account payment
- Damage to property
- Liability through altercation

SPECIAL NEEDS

Stonehill Christian Academy usually does not have the staff or resources for special education services. Therefore, we may not be able to accept students who have learning differences, mental or physical handicaps, or social skill deficits that would require the school to provide specialized staff, equipment, or repeated interventions that take up a disproportionate amount of a teacher's time.

Our goal is to provide a quality education to every child at Stonehill Christian Academy. To do so, we need full and accurate disclosure of your child's needs. If it comes to our attention that parents have intentionally withheld educational or behavioral information, we reserve the right to ask your child to remain at home until their needs are clarified and we determine if we are able to meet those needs.

English language proficiency needs must be established before admission. Prior to admission, the parents, teachers, and principal may meet to discuss specific goals.

TRANSFER OF PERMANENT RECORD

When a pupil transfers from one school district to another public or to a private school, or transfers from a private school to a school district within the state, the student's permanent record is transferred. This transfer is initiated by the former district or private school upon request from the district or private school where the pupil intends to enroll. Any school district requesting such a transfer of a record shall notify the parent of his right to receive a copy of the record and the right to a hearing to challenge the content of the record. The State Board of Education is authorized to adopt rules and regulations concerning the transfer of records.

FINANCIAL INFORMATION

INSURANCE

Accident insurance coverage is purchased, by the school, for each student. The cost of this insurance is included in the registration fee. The school is responsible for only what is covered by that insurance. Parents are urged to carry additional insurance to supplement that covered by the school.

FINANCES

Stonehill Christian Academy endeavors to keep the cost of Christian education as low as possible so that all Christian young people can

attend. The following statements outline general financial practices that are important to the students, parents and/or financial sponsors.

Previous Balances: Any previous expenses at Stonehill Christian Academy or other Seventh-day Adventist educational institutions must be settled before the student is permitted to enroll for the current school year. Any delinquent sibling accounts must also be settled before another family member is admitted.

Statements: Statements are given out by the first (1st) of the month and are due by the fifth (5th). Accounts are past due by the 10th of each month and there will be assessed a \$25.00 late fee. Checks returned for insufficient funds will be charged a \$25.00 fee. Failure to keep an account current could result in dismissal.

Account Status: The financial sponsor is expected to keep the account current at all times. Students whose accounts are more than 30 days past due are delinquent and the student will not be able to receive After School Care until the account is current. If an account is delinquent 30 days, a student may be asked to withdraw.

In correlation with existing policies, Stonehill Christian Academy will extend every effort to communicate with a debtor about any obligation due the school. After all good faith efforts have been exhausted, Stonehill Christian Academy may send said debt to a collection agency. All costs and fees incurred by this action will be added to the debt owed and payment will be the sole responsibility of the debtor (including but not limited to all legal and court fees). Stonehill Christian Academy will notify the debtor of the intended collection agency action in writing, by certified mail, 30 days prior to assigning the debt to a collection agency.

Refunds: When a student withdraws from school, an adjustment will be made to the account so that only actual tuition is charged. This will be done on a weekly, prorated basis. The General Fee is not refundable after five days in attendance.

Eighth Grade Diplomas, Report Cards, and Graduation: Diplomas cannot be issued unless the student's account has been paid in full.

Students may not participate in graduation exercises unless their account is current or written arrangements have been made.

Contract Teachers: Approved, contract music teachers come to our campus weekly to teach piano or strings. Parents deal directly with the teacher for lesson schedule and payment. Parents deal directly with any other contract teacher activities, e.g. children's choir, after school programs, etc.

CURRICULUM

ACADEMICS

The curriculum at all levels reflects the philosophy and objectives of

Christian education. It was chosen to be in harmony with the ideas expressed in our mission statement. Textbooks and course material are in compliance with the recommendations of the North American Division of Seventh-day Adventists, Office of Education. This is the central coordinating office for all schools operated by the Seventh-day Adventist Church throughout North America.

Programs offered at Stonehill Christian Academy include instruction in the academic areas of math, language arts, science, and social studies. Other areas of study generally include religion, communication skills, health and safety, physical education, practical applied arts, and fine arts. These are taught with the objective of developing character, witness, and service abilities, physical and social skills, and career and work responsibility.

Key Learning with more specific descriptions of the curriculum at each grade level are available on *Back-to-School Night* from the individual classroom teachers and are available upon request from the office.

MUSIC

Pre-Kindergarten through grade 2 will participate in choir and beginner bells. Students in grades 3 through 8 are taught music fundamentals, hand chimes, and choir. Private lessons are offered for piano or strings, and fees are paid directly to the instructor (see *Contract Teachers*)

All of the school music organizations have performances outside of school hours. The success of each group depends on all members; therefore, all performances are required and missed performances will affect the music grade. If family plans prevent participation in a scheduled performance – including weekend church performances – advance arrangements must be made. The music teacher will announce the dates as far in advance as possible.

ACHIEVEMENT TESTS

The *Iowa Test of Basic Skills* is given to all students in grades three through eight in the fall. All students should be in school during this testing time, because these tests are used to help assess the strengths and weaknesses of each student. A report of the results will be given to parents at the *Parent-Teacher Conference* in the fall.

ACCELERATION

Appropriate academic placement is a fundamental principle of education. When considering advanced placement for a student, the following policy will be implemented:

- On a standardized achievement test battery, a student is expected to have a composite score that places him/her at the 90th percentile or above.
- The student must demonstrate, to the school staff and to the parents, satisfactory evidence of academic, emotional and social readiness for advanced placement.
- Prior written request for student advancement in elementary education (i.e. two years in one, or three years in two) must be submitted to and approved by the Texas Conference, Office of Education *before* a student is permitted to begin work on advanced placement. The application must include the written consent of the parent or guardian.
- A copy of the ITBS Student Profile Sheet must also accompany the application.
- The end of the second week of November is the deadline for submitting acceleration requests to the Texas Conference, Office of Education.

GRADE RETENTION

Consideration to retain a student at a grade level must involve counseling with the student and the parents, so that a decision regarding placement is reached cooperatively. A decision to retain the student must have:

- Written approval by the parents no later than April 1.
- Completion of the Light's Retention Scale – to be submitted along with the request form.
- Written approval from the Texas Conference, Office of Education.
- The end of the fourth week of April is the deadline for submitting retention requests to the Texas Conference, Office of Education.

No student will repeat a grade for more than one year during the elementary school years.

EIGHTH GRADE COMPLETION REQUIREMENTS

The required subject areas for completion of the eighth grade are:

- Bible/Religion
- Mathematics
- Language Arts (English, Handwriting, Spelling, Composition)
- Reading
- Physical Education
- Science/Health
- Social Studies
- Fine Arts (Music, Art)
- Computer Literacy/Keyboarding

In addition to the subjects listed above, students must meet the practical arts/technology requirements as specified by the Texas Conference, Office of Education. A minimum of “D-” is the required academic grade for each of the subjects listed above. Students who do not meet the academic requirements to graduate will be notified of their deficiencies at the end of the third (3rd) quarter (or as soon as noted by the teacher). In order to participate in graduation, these students must make arrangements to complete the work in the summer. A diploma cannot be given until all work and financial obligations are completed.

SCHOOL HOURS

REGULAR SCHOOL DAY

The regular school day begins at 8:00 a.m. and ends at 3:00 p.m., for all grades.

AFTER SCHOOL GUIDELINES

All students may be picked up at class dismissal time or stay on campus (playground or classroom) under staff supervision until 3:15 p.m. All students, Pre-K-8, who are not picked up by 3:15 p.m. must check into our After School Care Program, and the appropriate charges will begin. See *Extended Care* for details.

MINIMUM DAYS

A minimum day begins at the regular time of 8:00 a.m. for all grades. Dismissal time is 12 p.m. (noon). After school care will not be available on minimum days. Parents must be sure to make the necessary arrangements to have their child picked up by 12:15 p.m. on these days.

The Stonehill Christian Academy Board and the Texas Conference, Office of Education has scheduled the following minimum days:

- Fridays prior to: Labor Day, Christmas Break, Spring Break
- Last day of school

In addition, other minimum days may be scheduled when approved by the SCA School Board and the Texas Conference, Office of Education. Please check the school calendar.

ATTENDANCE

At Stonehill Christian Academy, we strive to teach our students the positive habit of being responsible with their time. We ask that parents help us with this area, through their example, by having their children on campus prior to 8:00 a.m. Habitual timeliness contributes positively to their school achievement and the lifetime responsibility of being on time for work and other responsibilities. We also want to honor God during our worship time, which is one of the first class activities after 8:00 a.m. Students entering the classroom late are a disruption.

DAILY ATTENDANCE

Students who are not in their classroom by 8:00 a.m. will be marked tardy. Students need to be in the classroom, seated, and ready for school to begin no later than 8:05 am. The total days of attendance of a pupil at Stonehill Christian Academy, maintained by the Texas Conference during the academic year, will be the number of days school was actually taught (not less than the minimum school days during the academic year), less the sum of his/her absences.

EXCUSED ABSENCE

Teachers will mark a tardy or absence as excused if the school

receives a call, note, or email from the parent indicating one of the following reasons: illness, quarantine, health appointment, religious observance, or death in the immediate family.

EXCESSIVE ATTENDANCE PROBLEMS

Class attendance and punctuality are very important and are valued highly. The staff wishes to encourage habits of responsible attendance. Excessive unexcused tardies and absences are unacceptable. We expect you to make appropriate arrangements to have your child in regular, punctual attendance. If unacceptable attendance problems do not improve, the student will be reported truant to the county truancy officer.

UNEXCUSED ABSENCE

Absences beyond five (5) consecutive days due to medical reasons will be considered unexcused unless the office receives a signed, written physician's statement. Tardies and absences due to family inconvenience or vacations are not considered excused.

ILLNESS AND ATTENDANCE

Elementary school classrooms are the perfect breeding grounds for all sorts of communicable illnesses. It is important that sick children (including those with common colds) stay at home -- not only to allow their bodies to heal, but also to keep the rest of us from getting sick.

Follow these general guidelines:

- Don't send your child to school if they are contagious, have a fever of 99.5°F or more, are vomiting, or have inadequate energy to participate in school activities.
- Keep your child home for **24 hours** after vomiting has ceased, his/her temperature has been normal without use of Tylenol or other fever-reducing medicine, or after antibiotics have been started for contagious conditions.
- If your child arrives at school unwell and unable to participate, they will be asked to wait in the office until someone can pick them up.
- If your child becomes ill at school, they will be sent to the

office for further evaluation. Stonehill Christian Academy office staff follow these guidelines:

- If a child has a temperature above 99.5°F or is experiencing continued discomfort or pain, the family will be notified. It is essential for us to have emergency information and phone numbers on file in the office so we may contact you as needed. Please keep this information updated as changes occur during the year.
- Ill children are kept in the school office until parents or an approved person arrives. This helps limit the exposure of the rest of the class to the illness.

If your child has sustained an injury but is able to participate in scholastic activities, they may attend school as soon as his/her pain is manageable. Please send a doctor's note that outlines their restrictions so they can be properly supervised during their recess and PE activities.

PRE-ARRANGED ABSENCE

At times, a family may need to travel on dates other than regular vacation times. If you know that your child will miss classes one or more days, a *Pre-Arranged Absence Form* should be completed so that you and your child know what work needs to be completed and turned in. This form needs to be completed at least one (1) week before the requested absence so that there is time for the teacher to prepare alternate assignments for the student.

SCHOOL ATTIRE

ALL STUDENTS

All clothing is to project a positive and respectful image. Shabby, torn, or ill-fitting clothing (too tight, baggy, long, or short) is not to be worn. Faddish hairstyles and clothing, and tattoos are inappropriate. Sprayed-in hair color is only permitted during Spirit Week on the appropriate day(s).

Proper shoes must be worn at all times. Beach shoes or flip flops are not appropriate to wear at school. A student must have shoes at

school that will allow them to participate in all activities.

Any jewelry, including but not limited to bracelets, friendship bracelets, rings, earrings, and necklaces are not permitted. Although Stonehill Christian Academy wishes to respect the religious beliefs of all its students, we ask that religious jewelry be worn at home.

Make-up should be modest. Nail polish should be well maintained, clean, and neat. Acceptable nail color and design will be at the discretion of the administration and staff.

No accessories are allowed, including: vests, ties, and suspenders. Belts must be plain style; black or brown colors are acceptable. All belt buckles must be plain (not themed, large, or colored). No skulls or other questionable emblems are allowed, including shoes.

When a student is in violation of the dress code or out of uniform, the parents will be notified and given the option of bringing appropriate clothing. If parents/guardians are unable to bring the appropriate clothing, the school will provide the proper uniform shirt and parents will be charged for the cost of the shirt. Subsequent violations may result in a *Student Discipline Report* or a *Referral* that could affect their admission standing at the school.

BEHAVIOR EXPECTATIONS

For our school to be a safe place where respect for God, self, and one another is evident, you must accept responsibility for your own actions. It is our goal, as staff, to teach you the skills you need to be a responsible citizen at school, in your home, and in your community. We want you to have your needs met. We also want you to be honest with yourself about your own behavior in getting your needs met, aware of the choices that are available to you, and willing to make restitution when necessary.

We expect students to demonstrate a sense of worth in themselves and the school by:

- Showing respect for adults and each other
- Showing respect for school property and rules

- Being in their assigned places and equipped with the proper tools at the proper times
- Following the directions of the person in charge

We expect students to develop the following Life Skills:

- Responsibility: being accountable for your actions
- Cooperation: working together toward a goal
- Caring: showing concern for others
- Perseverance: sticking with it
- Integrity: being true to yourself, knowing what is right
- Effort: doing your personal best
- Friendship: making and keeping friends
- Initiative: doing what needs to be done without being told
- Flexibility: being able to alter plans cheerfully
- Organization: planning, arranging, and implementing in an orderly way
- Sense of Humor: laughing and being playful without harming others
- Common Sense: using good judgment
- Problem Solving: finding creative solutions in difficult situations and with everyday problems
- Curiosity: possessing a desire to investigate and seek understanding of one's world
- Courage: being willing to act according to one's beliefs

Even in a Christian school, problems happen. There are a number of choices you can make to avoid problems, or to resolve them.

STUDENT-TO-STUDENT PROBLEMS

Most student-to-student problems happen on the playground or in the bathrooms and halls where there is less structure than in the classroom. You will be able to solve many of these problems yourself by choosing from the following list of ideas:

- Tell the person to stop the problem behavior
- Ignore the problem behavior
- Walk away from the problem
- Go to another game or activity
- Respectfully talk it over and listen to each other
- Share and take turns

- Wait and cool off
- Compromise
- Apologize

If you have tried at least two of the above ideas and still need help, please go to an adult supervisor. They will be happy to help you and your classmate resolve the problem.

CONFLICT RESOLUTION

Because communication sometimes breaks down, which can result in misunderstandings, we hope that the following steps, based on Matthew 18, will help resolve any problems between students, their families, and the staff at the school. As we work together, we hope that everyone involved will approach the conflict resolution process with Christian courtesy and a focus on resolving the problem.

Level One: The student and the teacher should discuss the issues that appear to be causing a conflict. The parent or teacher should encourage discussion at this level.

Level Two: The parent and teacher should schedule a time to talk about the concern. The student may or may not be present at the conference. **Parents should not approach teachers during the school day unless prior arrangements have been made.**

Level Three: If the concern remains unresolved, then a conference with the parent, teacher, and principal should be scheduled. The student may or may not be present, depending on the situation. In certain extreme situations, Levels One and Two may be bypassed.

Level Four: When there is evidence that the problem has still not been resolved, then another parent/teacher/principal conference will be held with the problem area stated in written form. Only first-hand information that affects the current year and the individuals involved should be considered. The student may or may not be present at this level.

Level Five: If the problem still has not been resolved to the satisfaction of all parties, an individual may request a meeting with a Conflict Resolution Committee through the principal. This committee will consist of both

faculty and school board members. The request to meet with this committee needs to be in writing, and it should outline the problem, previous steps taken, and desired outcome of the process. (If needed, the principal will arrange for a person to assist with the written request.)

The intent of this policy is to assist parents, teachers, and students in discussing problems and concerns early enough to avoid the negative consequences of poor communication. We believe that, ultimately, the child will benefit most from his or her education if the guidelines above are followed.

DISCIPLINE

DISCIPLINE POLICY

Stonehill Christian Academy students are expected to comply with regulations and otherwise be models of Christian behavior, both in relationship to the school and otherwise. Failure of a student to comply with this standard of behavior will result in the imposition of appropriate discipline. The overall goal of Stonehill Christian Academy, in this regard, is to work with parents to address unacceptable behavior and assist students in correcting problems so they can achieve success in life with the minimum discipline reasonably necessary. Some misconduct is so serious that it may lead to immediate suspension or expulsion. Stonehill Christian Academy has a Discipline Committee made up of the School Board Chair, Principal and selected teachers, along with the classroom teacher of the student involved. Examples of such misconduct include, but are not necessarily limited to:

- Willfully causing, attempting to cause, or threatening to cause physical injury to another person
- Possessing, selling, offering, arranging, negotiating, or otherwise furnishing any firearm, knife, explosive or other dangerous object, or attempting to do so
- Possessing, selling, offering, arranging, negotiating or otherwise furnishing, or being under the influence of

alcohol, tobacco or other nicotine containing product, or a controlled substance, without a doctor's prescription, or possessing, selling, arranging, negotiating, or otherwise furnishing drug paraphernalia, or attempting to do any of the above

- Committing or attempting to commit robbery, burglary, extortion, or theft, or receiving or attempting to receive any stolen property
- Willfully causing or attempting to cause damage to real or personal property of others
- Committing an obscene act or engaging in habitual profanity or vulgarity
- Willfully disrupting school activities or otherwise defying the valid authority of administrators, teachers, supervisors, school officials, or other personnel engaged in the performance of their duties
- Engaging in or conspiring to engage in bullying or any act that causes or is likely to cause bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to any person
- Serious or continued sexual or other harassment as defined in this school's harassment policies
- Willfully engaging in the disruption of the school's religious environment through negative comments or by negative attitudes

Consequences of Inappropriate Behavior: When a student does not follow the above stated behavior expectations, a *Student Discipline Report* will be completed and mailed home. The teacher will also notify the parents that same day by phone.

Level 1 The teacher will give a verbal warning and talk with the student after class. An internal school report may also be completed.

Level 2 A *Student Discipline Report* will be sent home to the student's parents. The teacher will also notify the parents that same day by phone.

Level 3 A student/teacher/principal and parent conference will be arranged. During this meeting a behavior contract will be set up.

CORPORAL PUNISHMENT

Corporal punishment is not used as a disciplinary measure at Stonehill Christian Academy.

DETENTION

Students may be detained in school for disciplinary or other reasons for not more than one hour after the close of the regular school day. Parents will be notified of this action prior to the detention period.

SUSPENSION

A teacher may suspend a student from class temporarily. Suspension from school is only done by the principal. A student may be suspended for repeated offenses when other procedures have not been effective. Written evidence of prior corrective measures and parental notification will be maintained. In the case of a serious overt act or violation of school regulations, the Principal or the Discipline Committee may suspend a student from school even though there has been no prior serious misbehavior. The suspension period will not to exceed two weeks. Written notification of the length of the suspension will be provided to parents.

EXPULSION

Stonehill Christian Academy follows the Texas Conference, Office of Education guidelines regarding student expulsion. You may request a copy of these guidelines from the principal by stopping by the school office.

DISMISSAL

The school board is the ultimate authority in dismissal or expulsion of a student, upon the recommendation of the administration. As a general rule, dismissal or expulsion is used only when other means of correction fail to affect a change in conduct or the parent does not, or will not, voluntarily withdraw the student.

WITHDRAWAL

Following the withdrawal of any student who is required by state law to be enrolled in school, the school principal will ascertain that the

student has entered another school, as stipulated by state law. If the student fails to do this within the required time period, the principal has the responsibility to notify the attendance officer of the local public school district.

SEVERANCE

Stonehill Christian Academy reports to the public school superintendent of schools, where required by state or county regulation, the severance of all students between the ages of eight (8) and 18. Severance includes: expulsion, exclusion, exemption, transfer, suspension beyond 10 days, or other reason for terminating attendance.

PROBATION

Students on probation will be subject to the following behavior guidelines:

- First and second *Student Discipline Reports* in one quarter for any offense will warrant a preventative conference with the classroom teachers and principal
- Third referral of any offense warrants:
 - Student conference with parents, teachers and principal
 - Possible suspension with the number of days to be determined by the Discipline Committee

If a student is suspended for a second time while on probation, the student and his/her parents must meet for a review with the Discipline Committee.

BULLYING

No staff member, student, or any other person employed by or in attendance at a Seventh-day Adventist school will concur with, cooperate, permit, or participate in any act that injures, degrades or tends to injure, degrade, or disgrace any student attending the school.

Bullying includes any method of initiation into the school or a student organization or any pastime or amusement in connection with an activity or organization which causes, or is likely to cause, bodily danger or physical harm.

SEXUAL HARASSMENT

Stonehill Christian Academy is committed to providing a school environment free from sexual harassment. Incidents of harassment should be reported in accordance with these procedures, so school authorities can take appropriate action. Students who sexually harass others are subject to discipline, up to and including dismissal. Employees who engage in sexual harassment are subject to discipline, up to and including termination.

Definition: Sexual harassment is unwelcome sexual advances or requests and other offensive conduct of a sexual nature. The behavior can be spoken, written, or physical. Offensive pictures, graffiti, jokes, and gestures are included.

Sexual harassment can also include making someone submit to offensive sexual conduct as a condition of academic status, progress, benefits, honors, or activities. Sexual harassment occurs when the offensive behavior or material creates a hostile school environment.

Reporting Procedures: Students who have experienced sexual harassment should report the incident to school authorities as soon as possible. If the incident is between students, the student should report the incident to the classroom teacher or to any teacher. The student may also report to the principal, assistant principal, or other staff members. If the harassment comes from an adult, the student should report directly to the principal or another responsible adult.

Resolving Sexual Harassment Complaints: Any employee of the school, upon receiving a complaint or otherwise learning of alleged sexual harassment, will notify the principal. If the principal is allegedly involved in the harassment, report to the Texas Conference Superintendent of Schools. The school will investigate the matter promptly, thoroughly, and confidentially. If harassment is confirmed, appropriate corrective action will be taken as is reasonably necessary to end the harassment. After the investigation and response, the alleged victim will be informed that appropriate action has been taken. The school will also make appropriate follow-up inquiries to ensure

that harassment has not resumed and that the alleged victim has not suffered retaliation.

DEFACING OR DAMAGING PROPERTY

Any student who defaces, damages, or destroys school property will be liable to suspension or expulsion, according to the nature of the offense. Parents, guardians and/or students will be responsible for replacement cost and may be asked to help clean up the damaged area. The school, after affording the student their due process rights, may withhold the grades, diploma, and transcripts of the pupil responsible for the damage until the pupil or the pupil's parent or guardian has paid for the damages.

EXTENDED CARE

BEFORE SCHOOL CARE GRADES PRE-K THROUGH 8

Personnel are on campus from 7:00 a.m. through 7:50 a.m. for parents who must leave their child(ren) at that time. There is a \$5.00 charge per child, per day for this care. Parents are not to leave their children on our campus any earlier than 7:00 a.m. Students are not permitted to wait in the parking lot without parental supervision. At 7:45, general supervision begins for all students arriving for the school day.

AFTER SCHOOL CARE GRADES PRE-K THROUGH 8

This is a special service offered to parents who are unable to pick up their child(ren) immediately after school due to their work schedules. It should not be used as a socializing or play time for students who could be picked up earlier.

After School Care (ASC) Guidelines have been established for your child's safety. After School Care supervisors must devote their attention to supervising all of the students in the program, and time may not allow them to specifically address behavior or homework concerns. Because of this, supervisors cannot provide tutoring or counseling for students. SCA is happy to provide After School Care services, but we need your cooperation to enable this program to meet your family's

needs, and the needs of our neighbors and supervisors. If you cannot agree to the guidelines, we suggest you look elsewhere for After School Care services.

Students must be supervised when they are on campus. A student who is on campus with a parent must remain with that parent during the After School Care time. If they are not with the parent, then they must be checked into After School Care. When a parent is on campus for a scheduled meeting with a teacher and the student is not attending the meeting, the student will be checked into After School Care. (In this case, the fee for After School Care can be waived when the parent and teacher let the After School Care supervisor know that they were in a scheduled meeting.)

AFTER SCHOOL CARE GUIDELINES

When a student chooses to disregard any of the guidelines, he/she will be warned and possibly referred to the Principal. If the behavior persists, the After School Care supervisor will fill out a *Student Discipline Report*, which will be sent home. Any further problem will lead to a meeting with the Principal, After School Care supervisor, student, and parents. If any of the guidelines continue to be disregarded following this meeting, the student and parents will be asked to make other After School Care arrangements.

At no time should students wait unsupervised at the front portion of the school. Any student who is found in an unsupervised area will be subject to discipline.

AFTER SCHOOL CARE HOURS AND CHARGES

After School Care begins 15 minutes after class is dismissed. All students remaining on campus will be checked into the program by the After School Care personnel, and the \$5 per hour charge will begin. All students who are in After School Care must be signed out by their parents or a designated adult. Parents must also notify the After School Care personnel by phone or in writing if a person other than themselves will be picking up their child(ren). Parents must park their cars in the parking lot and come in to sign-out and pick up their child(ren).

After School Care closes promptly at 6:00 p.m., Monday through Friday. After these stated closing times, parents will be charged per minute. See financial schedules.

AFTER SCHOOL CARE PARENT/STUDENT RESPONSIBILITIES

1. It is the parent's responsibility to make sure the student is properly signed out.
2. It is the parent's responsibility to communicate with the After School Care supervisor that their child has been signed out.
3. It is the student's responsibility to be in the proper place and checked in.
4. It is the student's responsibility to be with within eyesight of the After School Care supervisor.
5. It is the student's responsibility to make sure the supervisor knows he/she is working in a teacher's classroom.
 - a. Direct notification from the teacher must be given to the supervisor.
6. It is the student's responsibility to keep all belongings properly stored, including snacks, homework, backpacks and other items on the shelves.

EXPECTATIONS

1. Students will treat each other with respect.
2. Students will treat and address the supervisors with respect.
3. Students will use all equipment properly. This includes returning and putting away all equipment, games, or supplies. It may also include helping to put away someone else's item if asked by a supervisor.
4. Students will work properly and silently during reading time.
5. Students will come prepared with homework for homework time. Students who have no homework will bring books or magazines to read.
6. Students will work quietly during homework time and be cooperative with the supervisor's requests and reminders.
7. Students will remain within the eyesight of a supervisor at all times.
8. Students will follow any directions given by any of the supervisors.
9. When in doubt about the appropriateness of an activity, students will consult a supervisor.

10. Students will respectfully participate in all group activities.

Referrals will be written by the supervisors or principal if any of the above guidelines are violated. These referrals will constitute our attempt at communicating with parents regarding after school care problems.

Parents may set up appointments with the After School Care supervisor or principal if desired. Three after school care referrals will result in parents being asked to find another after school care program.

CLASSROOM POLICIES

ACADEMIC EXPECTATIONS

One of our goals at Stonehill Christian Academy is to motivate students to develop good study habits. To reinforce this goal, sixth, seventh and eighth grades will be using an assignment booklet to record all assignments on a daily basis. Students will be expected to complete all assignments and have them turned in on time. Back work will only be accepted for excused absences or family emergencies.

For every day a student has an excused absence, he/she will have the same number of days, multiplied by two, available to turn in late work. For example: if a student is absent for two days, he/she will have four days in which to complete the missing work. These days include weekends and holidays.

ELIGIBILITY FOR EXTRA-CURRICULAR ACTIVITIES

The following will be required of all students participating in extra-curricular activities, including class officers, Student Council officers, yearbook staff and after-school sports programs. A student will have to maintain a "C" average or above for all subjects. If a student receives less than a "C" in any subject, it will result in suspension from the activity until the grade is raised to a "C."

BIRTHDAYS

When a food treat is provided in celebration of a birthday, parents should send enough for every child in the student's class. Toys or goodie bags are not acceptable, because they often take away from the learning environment. Individual party invitations should always be mailed -- never passed out or discussed at school.

CLASS FIELD TRIPS

Field trips -- day or overnight -- are considered part of our curriculum. The teachers strive to make the field trips an integral part of their curriculum. Field trip days are considered regular school days, and all school policies apply. The same attendance rules apply as for an official school day.

If a student does not participate in the scheduled field trip, the student is still expected to report to school. The student will be given class work to complete related to the trip learning objectives.

School policy does not allow siblings or family friends to attend class field trips.

Any activity, on or off campus, that puts volunteers in contact with our students requires a completed background clearance. This includes helping anywhere on campus, field trips, overnight trips, etc.

FINGERPRINT POLICY (ADULTS)

Volunteers will only be able to attend field trips (in any capacity) if their background clearance has been received by the school. A valid driver's license and current insurance also need to be on file one week prior to the trip if you are planning to drive. We suggest that you get this done over summer vacation, so your results can be back in our office by the beginning of the new school year.

CAMPUS POLICIES

ACCESS TO STUDENT RECORDS

Parents of currently enrolled or former students and students 18 years or older have the right to access the cumulative and permanent student records maintained by the school relating to the children in their family or the individual student.

Records must be inspected during regular school hours. Access will be granted no later than five (5) days following the date of the request. A parent or student will be notified if the record is not centrally located and provided qualified certified personnel to interpret records, where appropriate.

BACK-TO-SCHOOL NIGHT

Back-to-School Night is usually held in during the first week of school. This is when individual classroom teachers provide additional information regarding their classroom rules, field trips, grading systems, and homework policies. All parents or legal guardians are required to attend. Arrangements for child care need to be made so that parents can pay full attention to the general and classroom presentations.

CAMPUS VISITS

All visitors/volunteers to Stonehill Christian Academy are required to sign in with the Principal and receive a visitor's badge.

CHEATING

Academic integrity is a highly valued and integral part of Stonehill Christian Academy. We do not permit any form of dishonesty or deception that unfairly, improperly, or illegally enhances the grade of an individual or group assignment or a final grade. The following is a list of forms of cheating, plagiarism, and other types of dishonesty. If you have any doubt as to whether a particular act constitutes academic dishonesty, ask your teacher before you do it.

You are cheating if you---

- Copy, fax, or duplicate someone else's assignments that will be turned in as your own
- Submit as your own assignments and work that is exchanged with someone in hard copy or transfer by disk USB, or Internet
- Write key information on your person or objects for use in a test
- Use hidden reference sheets during a test
- Use electronic devices to store or recall information during a test
- Exchange answers with other students. This includes both allowing others to look at your answers and taking the answers from others
- Take someone else's assignment and submit it as your own
- Copy the work from another student
- Submit material without providing the name of the source so the material looks like your own (plagiarizing)
- Do not follow any additional guidelines on cheating as given to you by any of your teachers

Note: Attempted cheating will be treated the same as cheating.

Having items that could be used to cheat will have the same consequences as actually cheating.

Students who are academically dishonest and cheat may receive a failing grade on the assignment and have the course grade dropped one letter grade. Second offenses may result in a failing grade for that class. Additionally, the Personal Development grade will be impacted.

CLASSROOM VISITATION

The faculty and staff welcome visits by parents, board members, and interested individuals. Such visits help acquaint persons with teacher practices and strengthen the home-school relationship. To facilitate the visiting process, the following are required:

- Notice of at least 24 hours to the teacher and principal prior to the time of the visit
- Explanation of the purpose of the visit, including any specific concerns

- Limitation of visit to one hour in the classroom. A visit of more than one hour requires prior written consent from the classroom teacher
- Communicating visit observations with the teacher, if possible.

CLOSED CAMPUS

Stonehill Christian Academy is a closed campus, meaning students do not leave the school grounds after they arrive. Written permission stating time and reason, is to be submitted to the office and teacher for students to leave campus on their own any time during the school day. Students should sign out in the book provided in the office. Parents who come to the school to take their child off campus must come to the office and sign their child out in the book provided in the school office. The office will contact the teacher to send the child to the office. Prior written notification should be given to the teacher and the office.

DOGS AND OTHER PETS

Because of possible liability issues if there was an incident with a dog or other pet on campus, the School Board implemented a policy that does not allow dogs and other pets on the Stonehill Christian Academy campus. Exceptions: Service animals or dogs or other pets that are part of an educational, teacher-sponsored activity.

GUM/SNACKS

Gum is not allowed on campus. Gum chewing presents special problems to the custodian, buildings, litter disposal, and health. Snacks foods may be eaten only during lunch or during snack breaks designated by the teacher or After School Care supervisor. We encourage parents to send snacks that are healthy and low in sugar. Snacks should consist of foods that do not need heating or additional preparation. All food must be consumed in designated areas only.

HOME AND SCHOOL

All parents are members of the Home and School Association. The purpose of this organization is to promote better understanding and cooperation among parents and teaches as they work together to

educate their children. Home and School Association dues are collected as part of the school registration fee.

LOST AND FOUND

Found clothing is placed in the green Lost and Found box located next to the breezeway. Other items are held in the office. These things should be claimed promptly. Unclaimed items will be given to Community Services at the end of each semester.

PERSONAL PROPERTY

Personal property that has not been specifically requested by a classroom teacher for use in class or for class assignments should not be brought to school. Personal property that is used in a manner that interferes with the educational process or conflicts with school standards will be confiscated. This includes, but is not limited to:

- Electronic games
- Electronic communication devices
- Personal entertainment devices
- Skateboards, roller blades
- Squirt guns and all other toys
- Dangerous items
- Digital cameras
- Video games
- Laptop Computers

Confiscated items will be returned to parents at the end of the school year or when requested by the parent. Dangerous items will not be returned.

TEACHER CONFERENCES

Conferences with a teacher need to be arranged by telephone, email, or through the office. The time just before school or after school is not an appropriate time for a “quick conversation,” because teachers are preparing for class and working with students. Your conversation may also delay the teacher from meeting other scheduled appointments. The time just before and after school is also critical to the safety and education of the students and teachers are involved in numerous supervisory and educational tasks. Please respect their time and make

an appointment so that the teacher will be able to give you their full attention.

TELEPHONES

The phones at Stonehill Christian Academy are business phones and should be used only occasionally by parents or students for urgent situations. Students are only to use the phone in the office after arrangements are made with the teacher. The office phones cannot be used for transportation arrangements on a daily basis.

CELL PHONES

Cell phones can be a wonderful convenience for communication. They can also be a disruption to class, source of student conflict, and distraction to individual students. The following cell phone policy is currently in effect:

- Cell phones should not be brought to school or be in the possession of a student. This applies to all school student activities.
- For special circumstances, cell phones may be permitted. A written request form must be completed by the parents and approved by the principal and classroom teacher. A meeting between the parents, the student, and the principal must be held before permission is granted.
- If permission has been granted, the following conditions apply:
 - During SCA operating hours (M-F 7am-6pm), cell phones are to be turned off and checked in with the teacher.
 - If parents need to contact the student during the day, they are to call the school office.
 - The school is not responsible for phone charges, loss, damage, or misuse.
- If students need to contact their parents during the day, they need to work through their classroom teacher
- Cell phone use on campus may only occur while the student is standing next to the staff member who granted permission for the phone to be used. Cell phones that are not turned off and/or kept in the student's backpack will be held in the office for the parents to pick up. Each subsequent offense will result

in a fine that must be paid before the phone will be returned. The fines increase by \$10 for each violation.

- Cell phones on campus without permission will be held in the office for the parents to pick up. Each subsequent offense will result in a fine that must be paid before the phone will be returned. The fines increase by \$20 for each violation.
- Cell phones are not permitted on any school field trip, unless the parent and student have made prior arrangements with the teacher.

TRANSPORTATION

Parents are expected to arrange transportation to and from school for their children. The school does not have a bus transportation system.

STUDENT MEDICATION AND HEALTH

Students who require medication (including aspirin, acetaminophen, and other over-the-counter preparations) during the regular school day will be assisted by the school office personnel, if the school has the following on file:

- A written statement from their physician detailing the schedule, amount, and method by which medication is to be taken, and
- A written statement from the parent or guardian indicating that the school office personnel should assist the student in following the physician's statement.

Prescription medication must be delivered to the school in the original container bearing the pharmacy label. This label is to contain the name and place of business of the seller, prescription number, and date, name of the person for whom the drug is prescribed, name of the physician who prescribed the drug, and clear directions for use as prescribed by the physician. Teachers or siblings are not permitted to administer medication.

Over-the-counter medications must be delivered to the school in the original container.

Please do not send medication in a student's lunch or backpack. All

medication must be given through the school office.

Parents are encouraged to let the teacher know, during the first week of school, of any special requirements or health issues so we can be prepared to assist them, if necessary.

Health issues may include, but are not limited to:

- Asthma
- Diabetes
- Glasses
- Food allergies
- Bee/wasp allergies

HOMESCHOOL ENRICHMENT GUIDELINES

Stonehill Christian Academy respects parents who choose to homeschool their children. We wish to provide opportunities to enrich the homeschooler's education through participation in a supplementary class or classes. The homeschool enrichment program is available to students in grades five (5) through eight (8) who are not enrolled in any other private or public school but are actively instructed in a homeschool program. In order to participate in the listed supplementary activities, a student needs to be enrolled in one of the following programs: *Band* and/or *Choir*, *Physical Education*, or an academic class such as *Algebra I*. Once enrolled in one of these programs, students will also be eligible to participate in the following activities. A student would need to be able to attend each class scheduled during the week.

- Fall achievement testing in October
- Field trips as appropriate*
- Receive monthly newsletter/calendar of events
- Music lessons*
- Week of Prayer
- Intramurals*
- School pictures*
- Field Day
- Assemblies

- Other activities may be arranged with the classroom instructor of the enrolled class.

***There will be additional charges for each of the starred activities.**

Homeschool students may be on campus only for the activities listed above. Each home school student is required to sign in and out at the office for each activity.

Our current Homeschool Enrichment program is not available to students in grades K-4; however, students in grades 3 or 4 may participate in the standardized fall achievement testing. Since these tests will need to be administered outside of the classroom (due to the unpredictable timing nature of testing in these grades), there will be a \$120 fee. Special needs accommodation testing is also available at an increased fee.

Special classroom events (such as parties and reward activities) are not available to home school students. Parents will be notified of upcoming events through the monthly newsletter and calendar sent with the monthly billing.

This is a Seventh-day Adventist Christian School, so high moral principles and respect for God and others are expected from all students who associate themselves with our school. All homeschool students who take advantage of these opportunities should willingly pledge to observe the regulations and uphold the Christian principles upon which the school is founded.

Students who are not a part of the homeschool program will not be allowed to participate in Stonehill Christian Academy activities, unless the activity is open to the public.

NETWORK RESPONSIBLE USE POLICY

COMPUTER NETWORK/INTERNET

Stonehill Christian Academy offers students access to a computer

network. To gain access to the computers and the Internet, both parent and student must sign and return the *SCA Network Responsible Use Policy*.

The Internet is a powerful resource for expanding the educational experience of each student. Access to the Internet will enable students to explore thousands of libraries, databases, and bulletin boards. Unfortunately, some material accessible via the Internet is illegal, defamatory, inaccurate, or offensive. Stonehill Christian Academy utilizes a content filter that prevents almost all offensive materials from reaching student workstations. If something offensive does manage to penetrate our filter, it is the responsibility of the student to immediately notify the teacher in charge of the class.

The Texas Conference believes the benefits to students using the Internet as an information resource and opportunity for collaboration exceed any disadvantages and, therefore, support making the Internet available to students. Ultimately, parents and guardians are responsible for setting and conveying standards that their children should follow when using media and information sources. Therefore, we respect each family's right to decide whether or not to approve their child's use of the SCA network and the Internet.

The computer network is provided for students to conduct research and communicate. With parental and school permission, access is given to students who agree to the guidelines outlined in the *SCA Network Responsible Use Policy*. Access is a privilege, not a right; therefore, access entails responsibility.

Students are responsible for Christian behavior and communication on the school computer network, just as they are anywhere on the school campus. Users will comply with school standards and will honor the agreement they have signed. We take very seriously the responsibility for appropriate use of the computer network. School staff will guide students toward resources that are acceptable within the framework of the general school standards. If a student accesses inappropriate material, the school will not be liable and the student will forfeit computer network privileges.

Computer files will be treated like school lockers. School staff may review files and communications to maintain system integrity and ensure that users are using the system responsibly.

Students will adhere to Christian principles and will:

- Be responsible and courteous in all communication
- Be responsible with all computer hardware and software
- Keep their passwords to themselves
- Respect the confidentiality of folders, work, and files of others
- Learn about and observe copyright laws
- Use the computer only when supervised by a teacher

Any activity not in accordance with the general rules of the *SCA Network Responsible Use Policy* may result in a loss of access and other disciplinary or legal action.

USE OF THE SCA NETWORK SHOULD BE VIEWED AS A PRIVILEGE. STUDENTS WHO USE THE NETWORK MUST AGREE TO THE FOLLOWING:

CARE OF NETWORK

- Food and drinks should not be used in computer areas
- Hands should be clean and not touch the screen
- Items in computer areas should directly pertain to the activity, i.e. reference materials. Other items, such as magnets, scissors, paints, etc., should stay in the classrooms
- Equipment should be properly maintained; it should be covered and uncovered properly, turned on and shut down properly, etc.
- Deliberate damage to hardware, software, or the network will not be tolerated
- Disks, including: DVDs and CD-ROMs, should be handled properly
- All borrowed media should be returned promptly

PRIVACY

- Under no circumstances should passwords be shared or used by anyone else
- Students should only access their own files, unless they receive permission from the supervising adult
- Although privacy between individuals must be strictly

maintained, it should be understood that the teacher, principal, or system administrator may access student files at any time

RESPONSIBILITY/RESPECT

- Respect the assigned computer time that has been given to others
Respect others' work and make sure it has been saved before closing or quitting applications, even if it is your assigned time to use the computer
- Use of the network to send or display offensive messages or pictures and/or harass, insult, or attack others will not be permitted
- Use of obscene, profane, or vulgar language will not be permitted
Any unusual incidents regarding hardware, software, an individual's files, or the network should be reported **immediately** to the teacher or system administrator
- Students may not use computer equipment unless under close adult supervision
- Users may not use the network for commercial purposes

COPYRIGHT/PLAGIARISM

- Only software licensed to the school and/or the individual teacher should be used on SCA equipment.
- Students may not bring software programs from home
- Borrowing/copying/pasting the ideas of others (including art, photos, music, or audio clips) without giving credit will be considered plagiarism
Resources and items inserted into multi-media presentations must be properly cited and fall within the "Fair Use" guidelines governing student work

STAFF RESPONSIBILITIES

- Staff members have the right and responsibility to access students' files
- Specific infractions of the *SCA Responsible Use Policy* and their consequences will be reviewed by the classroom

teacher involved, principal, technology coordinator, and system administrator

- Signing the agreement form means you will abide by their decisions

CONSEQUENCES

- Innocent or unintentional mishandling – Student must participate in an activity that will re-educate him/her regarding the proper use of the SCA network
- Irresponsibility, disrespect, or privacy violations – Student may lose access to the network, its equipment, and its resources
- Flagrant, deliberate, or repeated abuse – Student may face immediate suspension and possible expulsion

REQUIREMENTS FOR USE OF THE SCA NETWORK

- Students in grades K-2 must have a signed *Responsible Use Policy* on file and checklist signed by their teacher indicating they have been educated regarding the SCA network rules
- Students in grades 3-8 must have a signed *Responsible Use Policy* on file and must pass a brief test on the use of the SCA network

POLICY CHANGES

Deletions, modifications, or additions to the policies in this handbook may occur at any time. All changes will be published in the newsletters, or a notification will be sent home. All policies published in the Mainspring or sent home shall have the full effect of policies published in the Student Handbook. Please refer to the SCA website for updated version of the Student Handbook.
