

Robert Joseph Huttie was born on December 13, 1960, in Central Islip, New York to Louis Arthur and Joan (Bath) Huttie. After graduating high school in Central Islip Robert joined the United States Air Force and he faithfully served his country for 20 years. Robert landed in Altus through his military career, planting roots and raising his son, Michael, in the area. Just a few of his military decorations include the Aerial Achievement Medal, Air Force Commendation Medal, Air Force Outstanding Unit Award, Combat Readiness Medal, National Defense Service Medal, Armed Forces Expeditionary Medal, Southwest Asia Service Medal, Air Force Longevity Service Award Ribbon, and many, many, more. After retiring as a Staff Sergeant, he worked as a maintenance manager and retired from American Airlines. Not being one to sit idly for long, Robert began working at Southwest Technology Center as an Air Frame Instructor before completely retiring. He was of the Catholic faith and was an avid sports fan, cheering on the Giants, METS, and Rangers, but he enjoyed anything football, baseball, NASCAR and airplanes.

He was preceded in death by father, Louis; as well as his ex-wife and best friend, Catherine Louise "Cathy" (Gage) Huttie. Those left to honor Robert's memory are his son, Michael and wife, Ashlee; grandchildren, Brennan, Coleigh, and Timothy; mother, Joan; siblings, Ronald Huttie and wife, Jean and Richard Huttie; nieces and nephews, Kristen, Anthony, John, and Emily; and many friends.

The Watch Airforce

This Airman has stood the watch

*While some of us were in our bunks at night
This Airman stood the watch*

*While some of us were in school learning our trade
This Airman stood the watch*

*Yes...even before some of us were born into
this world
This Airman stood the watch*

*In those years when the storm clouds of war were
seen brewing on the horizon of history
This Airman stood the watch*

*Many times he would cast an eye ashore and see
his family standing there
Needing his guidance and help
Needing that hand to hold during those hard times
But he still stood the watch*

*He stood the watch so that we, our families and
our fellow countrymen could sleep soundly in
safety, Each and every night
Knowing that an Airman stood the watch*

*Today we are here to say
'Airman...the watch stands relieved
Relieved by those you have trained, Guided, and
Led. Airman you stand relieved...
we have the watch...'*

In Loving Memory

Robert Joseph Huttie
