

HELP Ripon & Rural Voluntary Car Driving Service

Registered Charity No: 1144758

Our voluntary car driving service supports people in the Ripon area with door-to-door transport for non-urgent journeys including:

- Medical appointments
- Day centres and lunch clubs
- Shops and other essential trips
- Social and community-based activities

Who can use the service?

We are here for residents in Ripon, Masham and the surrounding areas who cannot access transport due to your mobility and/or location.

How much does it cost?

Our drivers give their time for free. You pay them £0.45 per mile on the day towards their vehicle running costs plus a £1 booking fee per journey.

Will I be guaranteed a journey?

Journeys are subject to volunteer driver availability. You must request your journey with a minimum of two working days' notice.
