- January 4- Kenzo, Roslyn's birthday

### Word of the Week

#### MOISTURE

#### Spelling Words

duck, back, rock, she, ship, fish, shape, shine, water, want, watch, which, where, before, become, usually, example, together, measure, different, incomplete, musical, bonuses

#### Library Books

If your child is missing a library book, please contact Mrs. Campbell.

### Christmas Party

Our Christmas party will be different this year, but we'll still have fun. For our gift exchange, girls should bring a girl gift and boys should bring a boy gift. Choose something you know your child would enjoy, at a \$10 limit. Please label the gift for a girl or boy. Gifts should be at school by

December 14.  
Thanks!

### Math Flashcards

Keep practicing those math flashcards! We continue to add new facts that need to be memorized. We practice them every day at school, but a little extra practice helps!

Our class is helping our school project by collecting food for Eden's Pantry during the Christmas

season. Please help us fill this table with groceries. We want to be sure everyone has food on their table this winter. If we each bring a bag of groceries, our table will be overflowing. We can do it!

### COVID CAN'T CANCEL CHRISTMAS

All children in reading groups 3 and 4 will be taking a turn at reading a special scripture this Thursday evening. Watch for an important note wrapped around your child's arm on Monday.

### This Week -

We're learning about different holiday customs and cultures from different parts of the world. This week we'll experience Christmas in England and Sweden. We'll learn their holiday traditions, food, and some fun facts.

### Book It

The months fly by so fast! It's time to turn in your November Book It chart for free pizza.
