The Family Communiqué

On Thursday May 28, the Good Neighbor Community Center will be participating in Give to Lincoln Day. We have a few reasons to help you decide why you should support the Good Neighbor Community Center on that day. The first one is a \$300,000 match pool being provided by Lincoln Community Foundation. The second one is a \$5,000 match. A generous donor will match donations given to the Good Neighbor Community Center up to \$5,000. The last but most important reason is for the 24,107 low income families and the 2,586 refugees and immigrants that we have served in Lincoln and Lancaster County since January 1. Visit our page <http://gncclincoln.org> for a list of the services we provide. You can make your donation any time from today at <http://givetolincoln.razoo.com/story/Good-Neighbor-Community-Center> and your donation will count for May 28.

SUPPORT OUR SCHOOL - Please give to College View Academy on GIVE 2 LINCOLN DA on May 28. G2LD is an annual 24-hour event organized by the Lincoln Community Foundation to help the participating non-profit organizations raise funds. We're raising funds for the CVA FUND which project for the summer is the much needed renovation of our two playgrounds. We need up-to-date and safe playgrounds for our smaller children and we are asking for your generous help. To give please go to givetolincoln.com

DRIVER NEEDED - College View Academy is looking for a safe driver to help us get our Omaha students to school every morning through the school year. This person would only have to go to the Gretna exit (38 miles each way), to meet with one of the parents and the students where they would change vehicles. The school would provide the vehicle. If interested call Brian Carlson at 402-483-1181.

College View Academy is looking for an individual to serve as after-school care director and K-4 P.E. teacher starting in the 2015-16 school year. Candidates would need to hold a valid Nebraska state teaching certificate or have the ability to obtain one. This position is a part-time position under 30 hours per week. Please send resume or questions to Brian Carlson at bcarlson@cvak12.org. Resumes must be turned in by June 5.

The College View Academy Constituents Board discussed the idea of going "outside the box" to make sure that CVA is an Adventist school that is inclusive of all Adventist churches in town. Piedmont Park is a constituent church. The following bullet points outlines the action plan decided upon. We will be taking this plan to our constituents at a special meeting on June 18.

- Two levels of churches (Constituent and Supporter)
- Supporter churches commit to a smaller yearly amount to the school
- Supporter churches will have a non-voting board member and two voting constituent members
- All students from Constituent or Supporter churches will pay the same tuition rate
- This enables all churches to really "buy-in" to the important work that CVA does

If you have any questions, concerns, or ideas please feel free to contact Principal Brian Carlson at College View Academy (PreK-12), 402-601-7694
