

Jeff had a passion for whatever he did.

Farming was his life.

*Being a member of
the show calf community
was very special to him.*

Jeffrey John Sedlacek was born Friday, April 25, 1969, to John William and Lois (Schmoll) Sedlacek in Tyndall. He was a graduate of Tripp High School and then completed one year of continued education at Mount Marty College.

Jeff was a farmer through and through. Along with farming the home place, Jeff was employed at Northwest Vet Clinic in Parkston. Jeff loved being in the show calf business where he got to know a lot of people. He was an avid pheasant and deer hunter. Jeff was in favor of having a good time when work allowed. His easy-going personality and enjoyment of visiting, made many great friendships over the years. He never missed the annual Czech Days celebration in Tabor.

Jeff died of natural causes, Saturday, August 20, 2022 at his farm residence, after a hard day of silage cutting with his brothers. He was 53 years old.

Jeff is survived by his father, John Sedlacek of Tyndall; sister, Mary and her husband, Sid Brandt, nephew, Wesley and niece, Ava, all of Tabor; brother, Mark Sedlacek of Scotland and brother, Jared Sedlacek of Tripp.

Jeff is preceded in death by his mother, Lois Sedlacek and all of his grandparents.
