APCS at MPA CHURCH

APCS was invited to provide the worship service at Mount Pisgah Seventh-day Adventist Church this last weekend.

Our K-2 Scripture Singers sang two beautiful songs from the Psalms. Three of our 7&8th graders, (Inna, Lauren and Kaitlyn) told the children's story. 7th grader Jayda gave the offering appeal and 4th grader Brooklyn read Scripture. We sang several of our APCS chapel worship songs together with the congregation.

Sometimes people talk about how our youth are the church of tomorrow. This weekend our youth were the church of today. I loved seeing our wonderful students leading worship for a full church. I know you parents loved that, too.

The Bible tells us, "A little child shall lead them." We got to do that this weekend. Thank you all who participated and were part of this special service.
