**Inspiration:** "Every effort made for Christ will react in blessing upon ourselves. If we use our means for His glory, He will give us more. As we seek to win others to Christ, bearing the burden of souls in our prayers, our own hearts will throb with the quickening influence of God's grace; our own affections will glow with more divine fervor; our whole Christian life will be more of a reality, more earnest, more prayerful." — E.G. White, *Christ's Object Lessons*, p. 354.
