

NEW Freedom TO LOVE

TRUTH ABOUT LOVE & PORN

IS YOUR CHURCH STICKING ITS HEAD IN THE SAND? ARE YOU IGNORING ONE OF THE STRONGEST ADDICTIONS OF THE 21ST CENTURY?

- There are 68 million internet search queries for pornography each day
- The top five porn sites in the world have a combined 17.73 billion visits per month (that's 738,750,000 per hour, 12,312,500 per minute, or 205,208 per second)
- 77% of Christian men ages 18-30 view porn at least monthly and women are not immune
- 30% of pastors report they have visited a pornography site within the last 30 days
- The average age of exposure to porn in the U.S. is 11 years old and dropping

Pornography use has become rampant across nearly all demographics. It doesn't stop at the church doors, and it doesn't stop at the doors of the family home. Silence and shame on this topic are no longer an option.

New Freedom to Love is a 5-part, church-sponsored seminar that opens the subject of pornography up for frank discussion. It provides an educational, holistic look at how pornography affects us bio-chemically, emotionally, and spiritually.
