

MR. BARRITT

Hey there, I made this poster to tell you a little bit about myself. It is my hope that I will also learn more about each of you throughout the year. This is my 3rd year at Mamawi teaching high school. In the picture to the right is me with my wife (and best friend) doing what we both love—hiking.

I attended Burman University to pursue my love of English and Physical Education and eventually received my bachelors in Education in 2016. When I'm not teaching, I like to play individual and team sports, chop down trees, create art, write, listen to music, and travel. My favourite food is

Japanese food (okonomiyaki and sushi).

This summer I attended a mission trip in Cambodia where I was privileged to visit many different schools and orphanages across the country and help host a professional development seminar for teachers there.

But they that wait upon the LORD shall renew *their* strength; they shall mount up with wings as eagles; they shall run, and not be weary; *and* they shall walk, and not faint. Isaiah 40:31
