Abuse can happen anywhere, even church. You probably know someone who has suffered abuse. Pretending that abuse does not exist in "my church, school, community or home" only perpetuates its continuance. Learn what to do and how to help. The 2020 **Virtual Summit on Abuse** will provide valuable training that will equip and prepare you for when abuse occurs. You *can* make a difference. Creating safe churches and communities starts with being informed. Register for the FREE Summit on Abuse: bit.ly/enditnow2020.
