

Good Evening,

Below you will find the revised second quarter schedule for our Deacons, I had to make a few changes. If for some reason you are unable to be there on a day that you are scheduled, I ask that you **please switch with someone and let me know** on or before Wednesday of that same week. You are very much appreciated! Also, if any of the names happen to be misspelled please let me know.

God Bless,  
Hope Rankins
