Footprints

One night I had a dream.

I dreamed I was walking along the beach with the LORD
and across the sky flashed the scenes of my life.

For each scene I noticed two sets of footprints in the sand.

One belonged to me and the other to the LORD.

When the last scene of my life flashed before me,
I looked back at the footprints in the sand.

I noticed that it happened at the very
lowest and saddest times of my life.

This really bothered me and I questioned
the LORD about it. "LORD, you said that once I decided
to follow you, you would walk with me all the way.

But I have noticed that during the most
troublesome times in my life, there is only
one set of footprints. I don't understand
why in times when I needed you the most,
you would leave me." The LORD replied,
"My precious child, I love you and I would never,
never leave you during your times of trial and suffering.

When you saw only one set of footprints,
it was then that
I carried you."
