

Supply List 2018-2019

Grades 6-8

Again this year the teachers will be providing most of the classroom supplies. ***Parents will be responsible for supplying a Journaling BIBLE (unless you already own one) and \$45 per student to cover the cost of the classroom supplies for the year.*** Please pay the monies in cash to help facilitate the teacher's ability to purchase supplies in a timely fashion, as they are needed.

Thank you so much for your support and cooperation.
