Living Life

Life is not a race-but indeed a journey.

Be honest. Work hard. Be choosy.

*Say "Thank you." "I love you."
and "Great job" to someone each day.*

Go to church, take time for prayer.

The lord giveth and the lord taketh.

Let you handshake mean more than a pen and paper.

Love your life and what you have been given,

- it is NOT accidental,

- search for your purpose

and do it as best as you can.

*Dreaming DOES matter. It allows you to become
that which you aspire to be . Laugh often.*

Appreciate the little things in life and enjoy them.

Some of the best things really are free.

Do not worry, less wrinkles are more becoming.

Forgive; it frees the soul. Take time for Yourself,

-plan for longevity.

Recognize the special people

you've been blessed to know.

Live for today; enjoy the moment;

and most important;

never, I mean never; "let the music die!!!"

"You will find your peace in the harmony!!!"

IN LOVING MEMORY OF

Ronald Kershaw
