

Spread Your Wings

The watch for you has ended
Time to return to base
Your service is needed elsewhere
It's time to take your place

The wings need not be fitted
They were measured long ago
Your uniform was the framework
On which your wings would grow

Your service is not ended
There is still work in store
Challenges are waiting
When you step through the door

So many to watch over
This is the call that angels heed
To answer prayers in service
For so many souls in need

He Only Takes the Best
God saw that he was getting tired,
A cure was not to be.
So He put His arms around him
and whispered, "Come with Me."
With tearful eyes, we watched him
suffer,
And saw him fade away.
Although we loved him dearly,
We could not make him stay.
A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts to prove to us
He only takes "the best".
