The Two Men in the Mirror ("Men" is inclusive of both men and women) is a metaphor for the two natures each of us who are converted has. The wolf and the noble Labrador! The person we are, and the person we long to be. The schizophrenic conflict of the war between the spirit and the flesh. What do you see, when you take a long, honest look in the mirror?

Oh, how He loves you and me.

Oh, how He loves you and me!*
