

She showered us with kindness
And shared with us her love.

She cherished every moment
With the man who was her life;
Walking hand and hand together,
Facing life with all it's strife.

She loved her children dearly,
Each one a different way,
Nestled close within her heart,
Though, now she's far away.

She's gone to live with Jesus;
But, she's here with us today,
Smiling down on everyone of us,
And telling us she's O.K.
